KF Students Win Honor
 OREGON STATE COLLEGE - Earl M. Kerns and Rodney J. Wright of Klamath Falls, seniors at Oregon State College, have been honored for outstanding work in Army ROTC during the past three years by being selected as "distinguished military students."

Only 42 seniors were picked for the recognition this year. Distinguished military students have the opportunity to apply for regular Army commissions, rather than for the reserve commissions normally received by ROTC graduates. If accepted, they may upon graduation, enter the regular Army on the same basis as a West Point graduate.

Selection of distinguished students is based on scholarship, military program achievements and leadership potential. Advanced ROTC Army training is offered at OSC in infantry, corps of engineers, signal corps, and field artillery. Both are majoring in agriculture.

Crosby, Bride Stay At Ranch
 PALM SPRINGS, Calif. (AP) - Bing Crosby, 53, and his new bride, actress Kathryn Grant, 23, are honeymooning near here at the singer's palatial ranch.

The couple arrived by plane yesterday after a surprise marriage in Las Vegas, Nev. The 45-minute ceremony was performed by Mayor John Ryan.

The wedding party drove to the Sands Hotel for a post-wedding breakfast. A reporter addressed the bright-eyed bride as "Mrs. Crosby."

"Mrs. Crosby," she sighed. "Say that again."

A scattering of fans met the Crosbys when their plane landed here. Bing seemed slightly nervous when friends and strangers pushed forward to offer congratulations. The bride stood modestly aside.

Asked how she felt she replied: "Wonderful. Don't I look it?" Crosby told newsmen he had never seen the new desert mansion to which he was taking his bride.

The singer indicated the honeymoon will be short.

"I've got to get back to Hollywood to tape a radio show on Monday," he said.

Asked whether now, as the wife of one of the entertainment world's wealthiest figures, she intends to continue her acting career, Mrs. Crosby said:

"That's up to my husband."

"She can do anything she wants," said Bing, pecking her on the cheek.

In Hollywood, Bing's brother, Bob, commented that "he needed something like this. Bing was a very lonely man."

Bing didn't tell his four sons or the rest of his family about his wedding plans.

Kathy, a vivacious girl with a degree in fine arts from the University of Texas, has been Bing's most serious romance since the death of his first wife, Dixie Lee, in November of 1952.

She had bit parts in six pictures.
