C of C Seeks Project Aid

DUNSMUIR — Cooperation of the 16 chambers of commerce that comprise the Inter-County Chambers of Commerce of Northern California will be sought by the Dunsmuir chamber in a drive to have southern Siskiyou be declared the site for the 1961 National Boy Scout Jamboree.

A decision to enlist help was made at the monthly chamber dinner at the Hotel Dunsmuir Wednesday night. Bill diCristina, in pointing out that it would bring 65,000 scouts plus accompanying leaders and parents into the area, suggested it would be a Northern California project in scope.

The chamber decided to raise the curtain on the Christmas season in Dunsmuir on November 30. Street decorations and a community Christmas tree in downtown Dunsmuir will be ready on that date, and the merchants will unveil special Christmas window displays. Armand Brunel, chamber president, said arrangements had been made to use a tree in the path of the freeway right-of-way. The junior chamber of commerce will handle the overhead street decorations.

Excellent skiing conditions on Mt. Shasta were reported by Chap Wentworth, who said the contractor was determined to complete enough of the road to provide access to the ski area this winter.

Paul Alcouffe was named chairman of a nominating committee to present a slate of chamber officers at the November meeting. J. "Bud" Lachenmyer, Jim Lockhart and Dr. H. A. Meredith complete the committee.

Band Helps Out In Grid Victory

EAST MOUNTAIN, Tex. (AP) — East Mountain's High School band may have lost a couple of members to the football team.

Seven of the musicians answered Coach Lonnie Senton's plea for reinforcements after an auto accident and influenza left only eight able-bodied players.

As it turned out, some of the regulars recovered and he needed only a tackle and guard from the bandsmen for last night's game with Spring Hill.

The final score: East Mountain 40, Spring Hill 13.

Jobs Over 40 Plea Issued

Continuing the campaign of the Fraternal Order of Eagles for elimination of age barriers to provide employment for mature workers Klamath Falls Aerie 2090 in a resolution adopted at the Aerie home urged the government contract committee, headed by Vice President Richard Nixon, to require plants with defense contracts to provide "Jobs Over 40."

In explaining passage of the resolution Charles Davis, aerie president, said that the fraternity launched a drive nine months ago to eliminate age discrimination in employment, and fortified this action at its international convention in New York, in July, 1957, where a principal speaker was Senator Jacob K. Javits of New York, leading sponsor of a bill in the Senate for legislation to assure older workers of greater job opportunities.

The resolution declared that "Congress has by statute established the principle that the federal government in the hiring of its own employes should not discriminate against an individual because of his age, and President Eisenhower has declared that 'our nation must learn to take advantage of the full potential of our older citizens, and their wisdom and experience.'"

Forest Fire Honor Slated

MOUNT SHASTA — On November 25, two former Mount Shasta residents will be honored in San Diego County, along with nine other victims of a disastrous forest fire which raged there on that date a year ago.

The Northern California men, Andrew Anderson, and Forrest Maxwell, veteran forest service employe and trained fire fighters, were flown south on Thanksgiving Day a year ago, and placed in charge of crews of prisoners from several state honor camps. They were trapped by the flames and 11 perished in the holocaust.

A plaque which carries the names of all victims, will be erected near the site of the tragedy. It was bought by funds, most of which was donated by surviving prisoners.

A San Diego County forest study club also donated money for the cause.

YREKA — George J. Van Buskirk, manager of the Yreka office of the Department of Employment, announced this weekend that offices will be opened in Dorris and Tulelake for the payment of unemployment insurance claims on November 1.

The Dorris office, which will serve the town of Dorris and the Butte Valley area, will be in the city hall and payments will be made through the First Western Bank of Dorris.

At Tulelake, through the cooperation of the Tulelake Growers Association, the office will be located in the TGA headquarters. Payments will be made through the Bank of America and N. Frank Swickard will be in charge of the Tulelake operation.

Office hours at both locations will be from 10:30 a.m. to 2 p.m. every other Friday commencing with November 1. A state representative will keep this schedule during the winter months until sometime in April, Van Buskirk said. By that time it is usual that most applicants have found work and the service will no longer be needed, he added.
