

### Local Lodge Provides Gifts

To provide a Christmas for servicemen who will be on the high seas December 25, or hospitalized in military hospitals overseas, requires early planning, purchasing and wrapping. Neighbors of Woodcraft volunteered their services to the local chapter of the Red Cross to provide 50 gift packages. Each package contained a deck of playing cards, pocket edition book, and ball point pen.

### Auto Owners Report Thefts

A Model 70, 30-06 Winchester rifle was stolen from the automobile of Ray C. Hansen when the machine was parked in downtown Klamath Falls Monday evening. Access to the interior of the car was gained through one of the fly windows.

TEACHER PLAYED IN BAND  
McCLOUD — While in Chicago recently, Harry Hicklin, McCLOUD school music instructor, played with the Instrumental Music Concert Band, an organization formed for the purpose of recording new and recent compositions for bands. Hicklin took part in recording 23 new numbers.

WARM OCTOBER days are no incentive to wrapping Christmas packages but that is what must be done if gifts are to reach men on the high seas in the service of their country by the time that Christmas rolls around. Neighbors of Woodcraft assisted in the wrapping of gifts sent by the Klamath County Chapter, American Red Cross. These three members of the Neighbors of Woodcraft assisted with the gift purchasing and wrapping. Left to right are Mrs. Mabel Dirschl, Mrs. A. N. Wenner and Mrs. Fred Floetke.

Mrs. Mabel Dirschl, assisted by Mrs. A. N. Wenner, selected the gifts to be sent. Neighbors of Woodcraft members devoted part of their October 21 meeting to individually gift wrapping each purchase under the leadership of Mrs. Fred Floetke, guardian neighbor. Packages have been mailed to ports of embarkation and will be put aboard ships having service personnel on board for Christmas Day. The purpose of the project is to help make Christmas cheer for servicemen who will not be receiving their personal mail on the holiday.

Also Thursday night a red wheel and 710-15 lire was stolen from the vehicle belonging to Ronald Phair Jr., when the automobile was parked near the intersection of Martin Street and Home Avenue.

The posts will meet at the Red Barn starting at 10 a.m. and the auxiliaries will hold their sessions at the same time at the elementary school recreation hall. Mrs. Dora Branham, local auxiliary youth activity chairman and the junior class room mother, announced that the junior class will provide luncheon for the entire group at the city hall at 2 p.m. Mrs. Lillie MacIntyre has been named as chairman of the junior classroom mothers who will prepare the meal. The junior girls will serve and junior boys will do the cleanup. Assisting as advisers will be Philip Staab and Douglas Batz, Butte Valley High School teachers.
