

HAIR growing out after tinting? Banish the tell-tale shadow by spraying matching shade of Nestle's Streaks 'n' Tips along the part, hair line and temples. Also available in gold and silver for glamour streaking and tipping.

NESTLE SPRAY FOR GLAMOUR

A completely natural-looking, instant, temporary hair color that sprays on easily, colors evenly, will not rub off—yet shampoos out—has been perfected by the Nestle Company, hair color specialists for over forty years.

Streaks 'n' Tips is a marvelously effective product whose prime function is an instant touch-up to roots of newly grown hair along the part, hair-line, and temples, and as a cover-up for graying hair. It also blends in streaks as well as yellowish or faded areas on otherwise attractive graying hair.

Streaks 'n' Tips is stunning for just what its name implies, streaking and tipping contrasting shades into your own hair. This is accomplished by simply pulling the strands of hair you want to color through holes or slits in a piece of cardboard and spraying a bit of color on them.

For fun, you can actually cover your whole head with Streaks 'n' Tips to see how you'd look with hair of another color. Or use it for masquerades or just to jolt husbands and friends who may know you as a blonde at 3 p.m. and a redhead at 5:05! Women on vacations or business trips, miles away from home and hairdresser, will find Streaks 'n' Tips a quick and easy way of doing a wonderful job of retouching dyed, bleached, sunburnt or streaked tresses. It's wonderful to know that if you haven't time for a Colorise or tint that involves shampooing, two or three quick sprays of Nestle Streaks 'n' Tips will give you newly bright, colorful tresses in mere seconds. Best of all, Streaks 'n' Tips won't rub off. In fact, plain water won't take it out—but a shampoo will.

There's no lacquer in Streaks 'n' Tips, hence no stiffening of your locks. They'll be prettily colored, yet remain soft and shining. Streaks 'n' Tips won't bother your set either, and you can use it before or after you style your hair. In addition to the new colors, Black, Brown, Auburn and Blonde, Streaks 'n' Tips is available in the ever popular Gold and Silver for dress up occasions. In aerosol containers, they all come newly dressed in an award-winning shocking pink to metallic foil design.

CHILI CASSEROLE

Here's a budget dish made with ground beef and layered in a casserole with cooked spaghetti or macaroni and cheese.

CHILI MEAT DELUXE
1½ pounds ground beef
1 cup chopped onion
1 can (1 lb. 4 oz.) tomatoes
½ cup chopped green pepper
1½ teaspoons salt
2 teaspoons chili powder
1 teaspoon paprika
1 package (8 oz.) cooked spaghetti
¼ pound grated cheddar cheese

Cook ground beef slowly until crumbly but not hard. Add onions, tomatoes, green pepper and seasonings. Cover and simmer 45 minutes. Alternate layers of cooked spaghetti or macaroni in a 2-quart casserole so that the top layer is meat. Sprinkle grated cheese over mixture and bake in a moderate oven (350 degrees) for 20 to 30 minutes or until cheese is melted and lightly browned. Yield 6 to 8 servings.

DESSERT FOR TWO

Add a teaspoon of cocoa and two teaspoons of sugar for 1 tablespoon of instant cocoa to a quarter-cup of heavy cream. Beat with a rotary beater until just thick. Serve over slices of sponge cake for a dessert for two persons.

SALAD IDEA

Egg salad (made from sliced hard-cooked eggs and romaine) benefits from the addition of sliced pickled beets.

CRACKER SPREAD

Mash hard-cooked eggs and mix with minced pimiento - stuffed olives, adding just enough mayonnaise to make spreading consistency. Season with salt, pepper and onion juice.

MOLASSES

For the homemaker with the schedule that is her lot - house-cleaning, marketing, shepherding the young ones to their many activities—the thought of having to prepare three full meals a day must often seem hopelessly too much.

Wise homemakers know how to beat the clock yet make an ordinary meal with an "air" so simple to create if you consider the liquid spiciness of molasses. New Orleans molasses, with a built-in supply of rich, usable iron, the kind that puts sure-fire punch in energy needs, adds flavor-fun to foods, too.

At breakfast, try drizzling New Orleans molasses over grapefruit in place of sugar. Eat plain, or

broil the grapefruit for extra flair. Leftover lamb for lunch? Combine canned creamed soup and cut-up lamb, add seasonings to taste, and a large dollop of molasses as the liquid spice. Leftovers? Who would ever guess that this dish wasn't planned from the start! Budget low for your meat course? Butter up the family with a fancy dessert. So easy to beat the clock with that old favorite, Brown Betty. The simple addition of liquid spice (molasses) makes it not only more flavorful, but makes for a prettier, richer color.

NEW ORLEANS BROWN BETTY

¼ cup graham cracker crumbs
¼ cup chopped nuts
1 teaspoon cinnamon
3 tablespoons real New Orleans molasses

Spread canned applesauce or sweetened apple slices in a greased flame-proof dish. Top with mixture of graham cracker crumbs, nuts and cinnamon. Drizzle molasses all over. Dot with butter and broil until crisp and browned.
