

Meeting Held By Boy Scouts

MONTAGUE — The Montague Boy Scout Troop No. 51, which has been inactive, has been reorganized and held its third meeting on Tuesday evening, at the old Montague grammar school building.

The troop, sponsored by the Montague Rotary Club, is now headed by Grant Foote as scoutmaster. Assistant scoutmasters are Hal Feyl, a teacher of the Montague Elementary School and Delbert Haley. Named as a leader for the troop is Harold Yost of Montague, a student at Yreka High School.

The troop consists of two patrols, the eagle and panther, and there are 14 boys signed up.

Plans at Tuesday evening's meeting included a trip to the Pluto Caves on Sunday, November 5. With geology as the theme of the month, the scouts will study and gather various types of rocks and minerals while on the trip to start a collection.

Scoutmaster Foote stated that if any boys interested in joining the troop are being deterred through lack of funds to purchase essential equipment and uniforms, arrangements can be made for the boys to earn their own money.

Boys present at Tuesday's meeting included Gary Allen, Hal Duncan, Jack and Jim Elliott, Clifford Kernohan and four new recruits, Bobby Andrews, Sam Elliott, Eddie Marty, and Dale Nichols. Other members are Dan Fraser, Gordon French, Mike Hume, and Harold Yost.

Groups Tell School Needs

DUNSMUIR — Various groups are trying to acquaint the public with elementary school needs prior to the bond and apportionment authorization election on Tuesday, November 5, when a \$135,000 bond issue and authorization for the school board to ask for \$509,000 apportionment from state funds for new school construction will be voted on at the Dunsuir Elementary School.

Roger Ellis, elementary school superintendent, and Dr. H. A. Meredith, chairman of the school board, are explaining to various groups this week the classroom shortage and disadvantages of the present school plant. Their agenda this week includes the Business and Professional Women's Club, the Lions Club, the high school PTA and the junior chamber of commerce. Last week they spoke to the Rotary Club and the chamber of commerce.

The elementary school PTA is conducting a phone campaign and will provide transportation to the polls and baby sitting services for voters on Tuesday. A telecast at 5 p.m. Monday over KVIP-TV in Redding will conclude the campaign.

The present plan is to build a new school for kindergarten through the sixth grade and to retain the present auditorium and gym building in which seventh and eighth grades are taught. A 12-15 acre site in north Dunsuir is being considered.

Special Rites To Be Held

DUNSMUIR — Participation in Lutheran Mission Week, November 17-21, has been announced by Rev. Martin Schabacker, pastor of the First Lutheran Church.

Members of the local congregation plan to attend a mass rally in Redding on Sunday, November 17, in concert with 11 other Lutheran churches in the Northern California area.

Evangelistic services will be held at each church on the successive evenings of the mission week. Guest ministers will conduct the services in Dunsuir.

Thomas Pemberton of Weed is serving as co-chairman with Rev. Schabacker. George Schrader of Mount Shasta is prayer chairman; Mrs. E. L. Benson, publicity and promotion chairman; Mrs. F. T. King, visitation chairman; and Mrs. George Taylor Jr., rally and lay school chairman.

Elder Ronald Kegley, left, and J. W. Goddard

New Church Elder Greeted

J. W. Goddard, 94 years old, a resident of Klamath County for 25 years, was among the first of the congregation of the Klamath Falls Seventh Day Adventist Church to extend a welcome to Elder Ronald Kegley, who recently accepted the pastorate of the local church. Elder Kegley was previously an elder of the Bend Seventh Day Adventist Church.

Mr. Goddard was born in Atlanta, Missouri, July 17, 1863. After coming to Oregon, he lived at Keno for 15 years and now makes his home at the residence of Sam Chrowl in Midland. He never misses a Sabbath service regardless of weather. He attributes his longevity to moderation.

Group Plans Workshop

A "rhythms" workshop will be conducted for the Klamath County branch of the ACE at a meeting to be held at Ferguson School, Saturday, November 2. The meeting will be preceded by a coffee hour from 9:30 to 10 a.m. with Ferguson School teachers as hostesses.

The general meeting will include business and a reading progress report to be given by Maxine Marsh, first grade; Louise Stroubridge, second grade; Athel Roser, third grade.

The workshop will be conducted by Aileen Bevans, Wilma Burleigh and Lorna Heilbronner. The schedule will include instruction in singing games and simple folk dances for first, second and third grades. Also included on the program will be a special review by Jewel Howard of the "Indian Duck Dance."

Marion Barker, general program chairman, requests all teachers to wear or take flat-heeled shoes for dancing.

Two Prisoners Returned To KF

Deputy Sheriff Dale Mattoon has returned from central California with two prisoners wanted for Klamath County disposition.

Mattoon returned with Samule Wright, 30, who is wanted in this county on charges of assault with a dangerous weapon. Wright is reported resident of Oklahoma City, Oklahoma.

Also being held at the county jail is Woodrow Shaw, 43-year-old Redding, California, resident who surrendered himself recently in Redding and is being held in Klamath County on charges of parole violation.

Income Tax Tips

Editor's Note—This is the third in a series of four articles on federal income taxes. The articles are based on information provided by the American Institute of Certified Public Accountants and the Oregon Society of Certified Public Accountants.

If you are one of those individual taxpayers who is constantly being collared and dollored for charitable contributions, you may save money by paying particular attention to the timing and planning of your year-end donations.

Before paying off an any more 1957 pledges you might have made; remember that you will not receive a tax credit for your charitable contributions unless you itemize deductions on your return. You can't take the standard 10-per cent deduction and a special deduction for donations to charity. You may take only one or the other; so plan your year-end pledge payments accordingly.

If you will be forced to take the standard 10-per cent deduction this year, your best tax move would be to defer payment on your outstanding pledges until after January 1, pyramiding them into 1958 when you may be able to itemize deductions. However, if you have had a better-than-average income year and are trying to bunch itemized deductions on this year's return, you should pay not only the pledges you have made but possibly the pledges you would ordinarily make in early 1958.

Here is an important point to keep in mind as you plan your year-end pledge payments: a charitable contribution will be considered paid — and therefore —

in the year when the deductible check is delivered to the charity and not when it is actually cashed.

A gift does not have to be in cash to entitle you to a charitable deduction. It can be in property, and since you can claim a deduction for the full market value of a property gift, it may actually pay you to give away items that are now worth more than they cost.

For example, suppose that you own a few shares of stock that cost you \$100 a few years ago. Today the stock is worth \$150, and apparently fully priced. If you know you are going to be approached by a church, charity, college or the like for a sizeable donation within the next few months, you might consider contributing these securities before the end of the year.

By giving this property away, the organization you care to favor will benefit by receiving property which they may hold or sell, and you will establish a \$150 charitable deduction for your 1957 tax return. Furthermore, you avoid paying a capital gains tax on the profit.

If you must dismiss the idea of giving away a piece of real estate or a block of stock within the next few years, don't overlook the opportunity of building up your charitable deduction by donating such "property" as used furniture, clothing, books and toys to a worthy charity. The value of these items is deductible, too.

The state and local taxes which you pay are also deductible items that often can be pyramided to give a tax advantage. Some taxes that fall due early in 1958 can be prepaid to give you an additional deduction on this year's federal tax return. On the other hand, it may be to your advantage to delay payments until 1958. Be careful when you do this, however. You may incur a late payment penalty.

While businessmen and farmers

can do everything that a salaried worker can do to cut their tax bills, they also have special opportunities to time year-end deductions.

A farmer, for example, who reports for tax purposes on a cash basis, can deduct his expenditures in the year paid. By purchasing his 1958 grain requirements in December, he can increase deductions on his 1957 return. If he borrows money to make this purchase, the interest paid on the loan during the year is also deductible.

A businessman, whose year-end tax plan calls for bunching deductions on this year's return, can time the sale of used equipment to establish loss deductions. For example, by selling a truck that has a depreciated value of \$800 and a real market value of \$500, a businessman may claim a tax credit for his \$300 "loss." If he sells the truck before December 31, he can take this deduction on his 1957 return.

Taxes are only one factor to consider when you are investing—or divesting—but if you had had luck this year in the stock market, remember that careful planning of your year-end security transactions can turn errors of in-

vestment judgment into dollar-and-cents tax savings. A word of warning, however: the capital gains losses and gains on your tax return would be wise to consult your tax adviser before you begin shuffling your stock holdings to establish losses and gains on your tax return.

RETIRING after 47½ years of service with Southern Pacific is Charlie Davidson, 63-year-old conductor who began with the SP as a brakeman. Davidson, who will retire to his ranch home in Weed, California, was the oldest man from point of service on the Shasta division. Railroad officials said he worked between here and Gerber, California for the past 20 years.

PTA Meets New Teachers

DUNSMUIR — Faculty members of the Dunsuir High School were introduced by Mrs. C. H. Baughman, hospitality chairman, at the first meeting of the high school PTA this year. The much-postponed meeting was held Tuesday night at the high school.

Each new member of the faculty gave a brief resume of his or her background, and all were given corsages or boutonnières.

Dr. H. A. Meredith, chairman of the elementary school board, and Roger Ellis, elementary school superintendent, spoke on the need of a new school and the bond election on Tuesday, November 5.

At the close of the evening, refreshments were served by the hospitality committee. Arthur Crowe was given a past president's pin.

The second meeting is slated for Tuesday evening, November 5, and Rudy Albrecht of San Francisco, YMCA field expert and an authority on juvenile problems, has been asked to speak, as announced by President Reg Thom.

Councilman To Quit Post

DUNSMUIR — Fred Lloyd, veteran city councilman, has announced he will submit his resignation at the next council meeting, November 6. Lloyd, who has served nearly eight years as a councilman and was Dunsuir's mayor for two two-year terms, is currently closing out a variety store business that he and Mrs. Lloyd have managed for the past 10 years.

After concluding business matters, the Lloyds plan to move to Sacramento where they can be near their daughter and her family. Lloyd expresses many regrets at leaving Dunsuir but feels a man should retire while he can enjoy his retirement.

During his terms as councilman, Lloyd served as police commissioner for two years, then as mayor for four years and is at present commissioner of public works. His retirement will necessitate the fourth appointment to the city council this year.

Mayor J. M. Jones and E. A. Christensen are the only elected councilmen now serving. Louis Oberkamp replaced Cecil Ballew, another appointee, who was transferred to Sacramento and Dave McClintock was named when councilman Robert Dickson moved to Klamath Falls. Jones moved to the mayor's post when Victor Petrovics resigned this spring and Jones' seat was filled by Ballew.

LOW CALORIE CRANBERRY SAUCE
AS TASTY AS CAN BE, YET USES NO SUGAR!

IMAGINE! ONLY 2½ CALORIES per teaspoon in this delicious cranberry sauce that the whole family will enjoy! And it's made only with amazing new M.C.P. "Low Sugar" PECTIN and M.C.P. JELLSWEET® LIQUID SWEETNER... with the exclusive recipe below:

(CUT OUT AND KEEP THIS RECIPE!)

1. Wash and remove loose stems from 1 pound fresh cranberries. Place in 3 or 4 quart kettle. Add 2½ cups water.
2. Measure accurately, 2 tablespoons M.C.P. JELLSWEET LIQUID SWEETNER and add this to the kettle.
3. Place kettle over fire and heat to a full boil. Continue boil about 2 minutes until practically all the berries have "popped" open.
4. Now, stir in 2 cups M.C.P. "Low Sugar" LIQUID PECTIN. Continue heating until it reaches a full boil. Skim well. Then remove from fire. Stir down any foam that is left. Fill into clean pint jars. Seal with new lids. Invert jars on lids for 5 minutes, then set jars upright. The fruit will not float.
5. Store the hot-sealed jars on pantry shelf. When opened, however, keep in refrigerator until fully used.

Caution: Do not try to seal jars with paraffin!
(*) You buy M.C.P. "Low Sugar" Pectin in highly-concentrated powdered form, but use it in liquid form made by the method given on Page 1 of Recipe Book that comes with every package.

Note: Use this easy recipe to make your year's supply while fresh cranberries are available. Recipe makes 3 pints... saves 500 calories per pint by not using sugar.

Recipe may be doubled, tripled, etc., by multiplying all ingredients by the same number.

Look for M.C.P. "Low Sugar" PECTIN and M.C.P. JELLSWEET LIQUID SWEETNER in the Dietetic Food Section at most grocers.
