

Crawford-Wendt Rites In Episcopal Church

MONTAGUE — Wedding vows were exchanged in Yreka St. Mark's Episcopal Church by Gay Wendt and Darold Crawford on Sunday, October 27. The Rev. John Martin officiated at the afternoon double-ring ceremony.

The bride, a daughter of Mr. and Mrs. Stanley Wendt of Montague, was escorted to the altar, and given in marriage by her father. For the informal wedding she wore a white wool sheath dress trimmed with white satin, a white velvet clip-on hat with a white veil and she carried a bouquet of white ranunculus centered with a white gerbera atop her white prayer book.

Maid of honor for her sister was Joan Wendt, who wore a powder blue dress, a blue velvet clip-on hat, and carried a corsage of white carnations.

The bridegroom was attended by his brother, Ben Crawford, as best man. Ushers were Bill Starkey of Yreka and Ernest Fairchild of San Jose.

Organist for the occasion was Mrs. Lloyd Steele, and acolyte duties were performed by David Sleep.

Following the ceremony, a reception for relatives and a few close friends of the newlyweds was held at the Wendt home in Montague. The beautifully decorated, two-tiered wedding cake, topped with a miniature bride and groom, was cut by the new Mr. and Mrs. Crawford, and served by Shirley Rockwell and Helen Easton. Gladys Leen carried the guest book.

The bride is a graduate of Yreka High School, and attended Oregon State College at Corvallis for a year. She is at present an employee of the Pacific Telephone and Telegraph Company in Yreka.

Out-of-town guests were the bride's maternal grandmother, Mrs. Laura Buckner, and Mr. and Mrs. W. J. Logan, and children, Pam and Bill, all of Grants Pass; Mr. and Mrs. Clifford Crosby and daughter, Kathy, of Medford; Mr. and Mrs. C. D. Conzatti and Mrs. Joe Smith of Sacramento; and Mr. and Mrs. Ernest Fairchild and children, Kathy and Jimmy, of San Jose. The bride's paternal grandmother, Mrs. Mattie L. Wendt of San Jose was unable to be present due to illness in the family. Her paternal grandfather, the late Henry Wendt, was a member of an old pioneer family of San Jose.

Nice for evening wear is the pouch bag made of satin with a covering of lace. Comes in black or white and is moderately priced.

Boys List Behavior Don'ts For Would-Be Campus Belles

If you want to be a popular campus belle, better learn the why and wherefore of dating. There are many ways to irritate the boy who takes you out. Here's a list compiled by two boys, seniors at a Westport, Connecticut, high school, who prefer anonymity in their confession.

1. Why does a girl become insulted if you even talk to another girl at a party or at a dance? And for some reason or another most girls think you are supposed to dance every dance with them when you take them out.
2. Is there any reason why a girl must call you a silly pet name when you are with your buddy or mother? Such names as "Cookie," "Poochie" sound endearing until they are overheard by others.
3. Why does a girl think she makes you jealous by playing up to the orchestra or a group of boys

always opened by your mother or sister by mistake?

4. Must she always make decisions? Can't she wait until you give the waiter her order or until you make a suggestion for the evening before she tells you what she'd like. This type of girl opens doors, and always leads the boy to the table, too.
5. Why do some girls on that first date, anticipate that you've just taken her out for a necking that you are going to "demand" a kiss before the evening is over.
6. Isn't it considered reasonable to expect a girl to ask you in to her home once in a while, perhaps for a sandwich after a date? There shouldn't be any harm if parents are home.
7. Why does a girl write you a mushy letter just because you've given her a little encouragement. And why is that particular letter

a football game. The girl who wears high-heeled sandals that look like bedroom slippers, invariably wears them on a rainy or snowy day when you must trudge a long way from your car to the football field.

ing at the Poe Valley Recreation Hall on Tuesday, November 19, beginning at 10 a.m. for the 10 interested members who wish to paint articles.

A potluck luncheon was served at noon. There were 18 members, two children, and three guests, Mrs. Wayne Wakkuri, Klamath Falls, Mrs. Dale Beber and Mrs. Gerald Durant of Poe Valley.

Plans were discussed for the Christmas party to be held at the next meeting. There will be a gift exchange, limit for adults being 50 cents, and children 25 cents, each person and child attending to bring a gift for exchange. The Malin and Bonanza units have been invited to the Christmas meeting.

The next meeting will be at the Poe Valley Recreation Hall on December 10, at 10:30 a.m.

When buying a new carpet it is desirable to see it in the home, if possible. This way you can see how it harmonizes with other furnishings. Also, you will see it under your own lighting conditions.

HOLIDAY

Shopping With Martha

Gustatorially Speaking

It's better to KNOW where to shop and to KNOW that food prices are in LINE, than to shut your eyes, draw straws and trust to luck. That's WHY I always shop at the MARKET BASKETS. Of course the many little extra services have a lot to do with it too . . . quick check outs, always someone happy to carry my packages to the car, and the friendly, helpful assistance in all departments.

I never step up to the MEAT COUNTER that I'm not amazed at the variety of cuts of meats. The big spotlessly clean cabinets are bursting with tempting ideas for the menu. AND if you don't see what you want, there's always a butcher to serve you, he's there just to cut that special steak or roll that rib roast the way you want it.

EVERYONE buys STAPLE foods with an eye on the pocketbook . . . if Poppa's pay check is bolted this week, you buy your car the next week . . . But not so with PLAIN GRUB . . . it's a must if you want to keep junior's weight up to Boy Scout schedule. Prices at Market Baskets are always low, because they can buy in such quantity, and we pocket the savings.

If you want to save time for your holiday shopping these busy days, shop the MARKET BASKETS for your groceries and meats, it's faster and easier. Another little extra, I like, they're always happy to cash Dad's pay check. It's helped me out of an awkward situation many a time.

It's gratifying to be able to buy everything in the grocery line under one roof, and have the finest in friendly, courteous service while doing so. Shop at either of their two convenient locations, South Sixth and Shasta Way or at Ninth and Pine.

'A Romantic Beginning

FOR A BATH . . . but what a bath! A LACTOPINE bath is incomparable. Several centuries ago the FRIARS in the Swiss Alps already knew of the benefits of pine needles. Historians recorded the crude "pine broth" used to revive the exhausted snow bound travelers. Soon the early healers recognized the virtues of pine needles extract and today the medical profession still uses its unquestionable therapeutic value, hence the reason why so many physicians endorse and prescribe LACTOPINE baths. LACTOPINE (Swiss pine bath oil) was originally introduced to the American Medical Profession in 1927 as a medicinal bath only. Soon its lovely fragrance and restful properties popularized its uses so that today LACTOPINE is found on all finer DRUG and COSMETIC counters throughout the country.

Naturally CURRIN'S fall into this category, so naturally you'll find all the LACTOPINE products there. CURRIN'S FOR DRUGS

Time is a'coming when you'll be takin' off to the woods for your Christmas greens . . . if you "get the urge" early here's a way to keep your tree, your mountain laurel and pine and fir green for at least three weeks . . . dig a trench in the edge of the garden, against a fence . . . sink the butt of your tree, the cut edges of your greens as deep as possible in the earth, then keep it wet until time to bring into the house.

'Tis The Month B-4

Tiny black girdle and bra, nylon hose, and high heeled pumps complement her evening attire. She even owns a pearl necklace, teeny pearl earrings and a wee wrist watch. SIS will go into ecstasies when she finds a MONA LISA DOLL under the tree. To keep her household in "apple pie" order she'll want all the modern conveniences Mommy has: AUTOMATIC WASHER, ELECTRIC RANGE AND REFRIGERATOR all in modern pink. I found McCormick miniatures: TRACTOR WAGONS, LOADERS and SPREADERS to hook onto the tractor for moving dirt by the yard. Come snow time he'll welcome an OLYMPIAN SLED, they come in all sizes up to the big 32" speeder and prices are from \$4.95 to \$16.50. Little RED WAGONS and BIG red wagons are stacked high awaiting his majesty's pleasure. Tiny toddlers wagons start at \$2.75 and the "big jobs" with ball bearing wheels go clear up to \$17.49. Roses Are Exciting . . .

Chrysanthemums are gay . . . Carnations bloom in beauty and all soon fade away . . . but WEEDS! now THERE'S the answer. If you're a smart hostess planning your Thanksgiving decorations, you'll visit BILL & RITA's some day very soon, for those cleverly treated, bright as carnival colors, WEEDS. Make your own arrangements or let the clever-fingered DePews tuck in a scarlet front here, a rust one there, a bit of GLITTERING WHEAT, a fragile golden wand of oats, a mass of autumn leaves in brilliant color . . . SWAMP GRASS from a Southern Gulf . . . a bit of BRONZED YARROW . . . to make a stunning arrangement for the buffet, dining table or mantel.

Martha saw such beautiful arrangements at BILL & RITA'S. TURQUOISE, BROWNS and BRONZE leaves, grapes and weeds in a graceful sloop of a Mahogany bowl. SWAMP GRASS, SAGE and GRAPES in all the brilliant blues of the peacock, tastefully arranged in a quaint basket.

These WINTER BOUQUETS can be stored away for next Thanksgiving Day.

or receive a lovelier gift than BLACK HILLS GOLD JEWELRY. Exquisite creations that follow almost the same grape and vine design of almost a century ago.
