**TEENS, THIS IS FOR YOU!**

Announcing . . . an entirely new kind of  
charge account designed especially for Klamath  
Basin high school students . . . available only to  
Klamath Basin high school students.

EXCLUSIVE WITH HOUSE OF SHOES

**Your Credit Is Your HONOR!**

AVAILABLE TO ALL HIGH SCHOOL STUDENTS  
IN THE KLAMATH BASIN!

BECAUSE we at House of Shoes have great faith in the re-  
sponsibility and good judgment of Young Americans, we have  
devised a special way of permitting high school students to  
charge purchases to their own account.

HERE'S HOW IT WORKS: On his or her own signature, a teen-  
account customer may charge purchases up to \$12.00, pay-  
able at \$1.00 per week for 12 weeks. As payments are made  
and the balance owed declines, further charges may be made  
at any time, as long as the total balance outstanding does not  
exceed \$12.00, the difference will be payable at the time of  
purchase.

THIS early credit experience will help teens to a better under-  
standing to the value of money and money-management, and  
at the same time encourage thrift and develop self-sufficiency.  
Note: This is your obligation. We will not and cannot expect  
your parents to assume any responsibility for payment of your  
account.
