Thanksgiving Day

Count Blessings On Thanksgiving

By MARGARET RITCHEY

How many of us realize what a wonderful place we live in, and

for any length of time, I'm sure we would be much more thankful for the many things we have.

You and I live in a land where we have all the necessities and luxuries of life, and also many of the beauties.

We live in a land where we have the right to vote for the people of our choice, where we have the right of freedom of religion, freedom of the press and so many more wonderful things that other countries do not enjoy.

In this great land of ours, no one is better than another, and everyone has an equal chance.

When you sit down to your Thanksgiving turkey this Thursday, gather your family around you and together give thanks unto God for the many blessings He has bestowed upon you, and the blessings you are receiving day by day.

"Count your many blessings, name them one by one, and it will surprise you what the Lord has done."

stop and count our many blessings?

We live in a land of freedom and happiness, and we certainly don't always show how thankful we are by our actions.

If we had to live in Soviet Russia or in a Communist country

Plans Related For Food Sale

Planning the cooked food sale will be of primary importance to the officers and class of 1959.

Officers of this year's sophomore class are Richard Moore, president; Francis Kenyon, vice president; Carol Ross, secretary-treasurer and Bobbe Taylor, yell and song leader.

The money raised from the dance and food sale will be used the following year for the Junior-Senior Prom.

Posters and notices that are to be placed in halls are supposed to be submitted to the office for approval before posting.

Upperclassmen! Remember, don't push a freshman down the stairs, or kick his teeth in unawares, or with a hammer bash his beam—we want to keep our building clean.
