Building Up In Montague

MONTAGUE — According to Beulah Gordon, city clerk, there has been a considerable increase in the construction of new homes, building additions, and remodeling projects in Montague.

Figures show that permits totaling \$78,955 were issued during 1957, over \$36,187 in 1956.

One permit was issued to the Pacific Telephone and Telegraph Company for \$14,000 for construction of a new exchange building for Montague. The second commercial building permit was issued to Donald Gordon for construction of a building where he sells John Deere farming equipment. The third permit of importance was issued to the Arcata Lumber Services, Inc., Siskiyou Division, for the erection of a new drying shed.

There were 10 new homes constructed and many were remodeled completely. Mrs. Gordon stated that the last special census taken in 1955 disclosed that Montague had 715 residents but believes that it is closer to 800 at present. The city arrives at this figure by multiplying the number of water connections by two and three-fourths.

Rainier May Lose Powers

MONTE CARLO, Monaco (UP)—Prince Rainier III today faced a serious challenge to his absolute rule of tiny Monaco, Sunday Monegasque electors chose a National Council pledged to clip his powers or resign.

Strictly speaking, the Council cannot change the constitution of this 470-acre, tax-free municipality. Rainier, 34, and his princess, former American film star Grace Kelly 28, are absolute rulers here.

But the council can write constitutional amendments and bring pressure on Rainier to accept them by threatening to quit.

Results from Sunday's election showed that an 11-man anti-absolutist majority had been swept into the 18-member Council. The men on the winning ticket were pledged to reform the 1911 constitution and give real, law-making powers to the National Council, up to now a sort of rubber stamp group.

Dr. Joseph Simon, 52, is the leader of the "anti-absolutists," whose official title is the "national Union of Independents."

He resigned from the Council in 1955, when he wanted to protest the Prince's handling of the crash of Monaco's precious metals bank.

Dr. Simon is hardly a radical. But he and his partners want to give Monaco a British-style constitution instead of the absolute rule it has had for 400 years.

Sunday 931 of this principality's male electors went to the polls, and apparently most of them decided they felt the same way Dr. Simon did.

Polio Drive Heads Named

TULELAKE — Guy Fagg, owner of the Corner Grocery and Harry Galloway, Tulelake rancher, have accepted the co-chairmanship for the 1958 March of Dimes fund campaign, kicked off January 20. Community-wide cooperation has been pledged to complete the drive.

Canisters have been placed in all business establishments. A \$150 dime board is partially filled in the Sportsman's Hotel, canisters are being passed in the March Theater and proceeds from a Tulelake High School Honker-city team basketball game that is planned will be turned over to the drive.

Teams of mothers will make a block to block appeal in the city and also the surrounding communities during the Mothers March on January 30. Mrs. LeRoy Coyner and members of the PTA will conduct the march.

We elected Jon Krauss as our historian for the year. Donnie Manning and Jon Krauss will give reports about pigs at the next meeting.

After the meeting we had a Christmas party, Greg Cheyne was our Santa Claus. We opened gifts, played games and had refreshments, served by Ronnie and Sherri Manning.

Rotary Club Holds Drive

LAKEVIEW — The drive for funds for a garage for the Lake County disaster car is gaining momentum, according to William Castle, chairman for the Rotary Club which is sponsor.

A total of \$3,000 is needed and a third of that amount has come from individual contributions, he said. Rotarians have given more than a dollar apiece. A benefit American Legion dance added \$20, but the 81 members pledged one dollar each in addition and challenge other organizations to meet or better this mark.

The largest single contribution has come from Dr. Garth Thornburg and the Lakeview Mining Company, giving \$300. George Wingfield, formerly of Lakeview, now of Reno, sent his check for \$100.

Thomas Jefferson, third president of the United States, was born April 13, 1743, in Shadwell, Virginia. He died July 4, 1826, in Monticello, Virginia.

The Vatican Library was founded by Pope Nicholas V in 1447.
