Credit Union Chief Named

Norman Summers was named chairman of the board of directors of the Weyerhaeuser Klamath Federal Credit Union at the annual stockholders meeting held January 23 at Peace Memorial Church. Present were 281 members of the union and guests.

Vice chairman named was Raymond Jump; secretary, Keefe Walker, and treasurer, Rose Mathers. Members of the board of directors elected include Jesse Burcham, Douglas Ernst, Dale Mathan, C. E. Homer and Max Revis.

Members of the 1958 Credit Committee are Robert Holmes, Clifford Cowan, L. A. Wirth, Clyde Olson and William Dalrymple. Serving on the supervisory committee will be Robert Hulbert, Margaret Loomis and Jack Pattem.

The union declared a four per cent dividend for the seventh consecutive year on assets of \$430,212.99 for 1957.

Club Members Plan Changes

The newly elected officers and directors of the Reames Golf and Country Club met recently at the clubhouse with President Wes McNeese presiding. Other officers and directors present were Ralph Hemmesch, vice president; Jim Kerns Jr., secretary, and Jim Gillilan and Marvin Nerseht, directors.

A new feature of the board this year will be a monthly bulletin, edited by Earl Kent, containing a complete roundup of club activities and future events.

Club projects planned for 1958 include patio furniture for the pool area and more social activity under the direction of Jim Kerns Jr. and Cecil Drew.

For the golfers, fairways and greens are to be improved, pro-shop facilities will be increased and landscaping will be added to the grounds around the pro-shop. In charge of the changes will be Gus Anderson. A complete list of committee members will be published when completed.

Don Hutton is club manager and Clark Good is the club pro.

Airmen Name New Officers

FORT JONES — The Scott Valley Airmen elected their new officers at a recent meeting with Wes Sorenson chosen as president; Rick Finwall, vice president, and Marilee Farley, secretary-treasurer.

The group has decided to sell one of its aircraft and buy a four place plane, as the flying club is mainly a flying families group and a larger plane would make it possible for them to take flights together, according to Francis Farley, one of the members.

An increase of initiation fees was also decided upon, the additional revenue to be applied toward the purchase of a Cessna 172.

The program included films of Honolulu, taken by Bud Davis, club instructor, while he was on a Hawaiian training flight, and also pictures of improvements to Scott Valley Airport, taken while under construction. Included in the improvements were a 1,000 gallon fuel tank and a hangar building for one of the club's aircraft.

Farley commended County Air-

port Coordinator F. H. "Chris" Christensen for his help in the airport improvement campaign, and also announced that further additions hoped for are concrete run-

up pads at each end of the runway and a lighting system, which would transform the Scott Valley Airport landing strip into the only lighted one on the main airways between Redding and Medford.

Plea For Truce Made By Israeli

TULSA, Okla. (AP)—A plea for continued truce in the Israeli-Arab situation was made at a press conference yesterday by Abba Eban, Israeli ambassador to the United States.

Eban said the present uneasy truce in Israel is unusual and that he can see little hope of a peace settlement.

"We should at least assure that tensions be kept under control and see they do not erupt into armed conflict," he added.
