

THE BIGGEST DISPLAY of apples Piggly Wiggly (701 Pine Street) ever set up is shown being admired by Harold Crooker, head of that department. Featured are Delicious, Golden Delicious, Winesaps, Rome Beauties—Washington's fancy and extra fancy apples—in the bulk or packaged to carry out of the store. **FREE TOY**

SnoBoy, the emblem of quality for Pacific Fruit, is being featured at the Klamath Falls Piggly Wiggly store, 701 Pine Street, for the next 10 days. A 20-inch stuffed toy, the official SnoBoy, tops the store's huge SnoBoy apple display. The white and red doll is swinging on a big trapeze, waiting to go home with some lucky youngster. Anybody can register and have an equal chance to receive this unusual toy. You can't buy one in a store, but Piggly Wiggly is giving this one away free on Saturday, February 8. The big display was completed on Tuesday afternoon and the doll will remain on display until it is turned over to its lucky new owner.

**NEW FLAVOR FORMULA ALLSWEET MARGARINE IN NEW POP-TOP BOX**

There's double-barreled news makes Allsweet taste so good on foods. It melts quickly on hot vegetables or rolls and spreads readily right from the refrigerator. The margarine is processed in such a way that it never crumbles, chips or breaks. Homemakers will like the new product for their fine cooking and baking. It creams easier and faster and adds new moistness and tenderness to cakes. The foil wrapper of each quarter-pound stick is marked off in tablespoons. Cutting off the correct amount to use in a

recipe is no trick at all and it eliminates washing extra measuring cups. When the margarine is used for frying, there will be less spattering and sticking to the skillet. New Allsweet is stepped up nutritionally too. Sunshine vitamin D is now added along with vitamin A. The clear, delicate color of the margarine is worthy of note too. It now comes from carotene, a natural source of vitamin A. The new gold foil "pop-top" box containing the individually foil-wrapped sticks was designed to maintain the high quality and freshness of this delicate spread.
