Film Slated By Church

"The Land Time Forgot," a colored motion picture portraying life among primitive tribes of the little known island of New Guinea, will be shown at 7:30 p.m. Sunday, February 2, at Sprague River Friends Church, Sprague River. The Rev. Gerald Cronk is pastor. This film gives excellent coverage of the great natural beauty of the interior of rugged New Guinea and of the native life of its primitive people. The Wabagas, or Wigmen, a tribe which distinguishes itself by wearing enormous and fantastic wigs woven from the hair of their ancestors, will be seen. The Chimbus, famous because they are the most colorful primitive people yet discovered, have been photographed amid the splendor of one of their tribal dances. These people live in the same jungles as do the valuable birds of paradise. The Chimbus are noted for their rare and beautiful costumes made from bird of paradise feathers.

The work of the Australian government among these people of Stone Age culture is portrayed. The advance which Christianity can bring about in this newly developing island is also seen. This film is presented by the film department of the Bible Institute of Los Angeles, an institution which trains Christian workers. Founded nearly 50 years ago, the school has graduates serving in all mission fields of the world.

Many Attend Church Meet

Sixty members of the Klamath Falls Congregation of Jehovah's Witnesses, including Mr. and Mrs. Philip Sladich and daughter, Cheryl, Mrs. Mae Taylor, and Mr. and Mrs. Chester Truax and son, Jimmie, returning from the "Qualified to Teach" circuit convention of the preaching fellowship at the pavilion, Josephine County Fairgrounds, Grants Pass, Oregon, reported that more than 1,450 persons assembled Sunday afternoon to hear William D. Couch, district minister of Jehovah's Witnesses deliver the timely discourse, "What Are the Prospects for Lasting Peace?"

"Lasting peace will come by means of God's Kingdom under Christ and Bible prophecy shows it will come in this generation. The wise course to follow is to take in knowledge of God and Christ, make over our personality to Bible standards and tell the good news of the Kingdom to others," Couch declared.

"By proclaiming the establishment of Jehovah's Kingdom, true Christians seek a road to maturity and world peace that will reach into the millennium of perfection. With this faith, the Witness of Jehovah has inner peace," the speaker concluded.

At the Egyptian Motel Pool, 35 new ministers were dedicated, symbolizing their dedication vows to Jehovah God.

Church Plans Special Week

The Klamath Falls congregation of Jehovah's Witnesses scheduled a special week of ministerial activity which began Tuesday night, January 28, and will continue through Sunday, February 2, at the Kingdom Hall, 833 North Ninth Street, it was announced by George Hricizese, presiding minister of the local preaching fellowship.

In charge of the ministerial activity for the week is William D. Couch, district minister for the Northern California and Southern Oregon area, and Vernon L. Pearson, circuit minister.

During the week Couch and Pearson will work with different ministers of the congregation putting special emphasis on home Bible study activity. This is a basic part of the local ministerial training program in over 16,000 congregations of witnesses throughout the world, Hricizese said.

Saturday at 8 p.m., the program, "New Things Learned," and Sunday at 2 p.m., the Bible lecture, "Finding Happiness in a Troubled World," will be delivered by Pearson. The public is cordially invited and admission is free, Hricizese added.

Also tentative fees will be formulated for attending the 1958 International Convention of Jehovah's Witnesses to be held simultaneously at Yankee Stadium and the Polo Grounds in New York City July 27 through August 3, 1958. "The majority of the members of the Klamath Falls congregation plan to attend this important Bible convention," Hricizese stated.

Opposition Hinted To Road Project

Members of the Klamath County Court have received unofficial information indicating that the U.S. Bureau of Public Roads and the U.S. Forest Service have voiced objection to a proposal whereby McAllister Springs - Lake of the Woods road would be qualified for public roads improvement funds and included within the forest service road system.

The proposal for qualifying the road and improving it was recently submitted to the forest service by W. C. Williams, Oregon state highway engineer.

Members of the court are awaiting further information concerning the road proposal.
