Chamber Leader Outlines Purposes Of Local Groups

During this, Klamath County Chamber of Commerce Week, manager R. Frank Tucker said he believed that it was in the interests to acquaint the public with the functions of the five divisions that service the community.

"The agricultural and natural resources division," Tucker said, "is composed of four subcommittees. They are the urban-rural relations committee, the conservation of natural resources committee, the farm awards committee and the water resources committee."

"This committee is still working on the problem," Tucker states, "because it seems a waste of time and money to grow the grain in this area and then ship it to an inspection station 300 miles away."

Gas Price War Continues To Spread Across Nation

NEW YORK (AP) - Budget-minded motorists are cashing in on the biggest nationwide epidemic of gasoline price wars since World War II.

There's a suburb of Boston where you can drive up to a service station and fill your tank with 30 gallons of gasoline for less than \$4.

Cut-rate bargains in gasoline are available, too, in such widely separated areas as Springfield, Mass.; Hartford, Conn.; Providence, R.I.; Norfolk, Va.; Charlotte, N.C.; Dallas; Detroit; Philadelphia; St. Louis; and along the Puget Sound.

Soviet Liner To Visit U.S.

WASHINGTON (AP) - The Soviet Union's sleek TU104 jet liner heads for the United States today on another "show off" trip.

This time the twin-jet craft, which flies 500 miles an hour at 40,000 feet, is bringing the new Soviet ambassador Mikhail A. Menshikov.

Last fall, it brought the Soviet delegation to the United Nations. New York's Idlewild Airport said then the TU104 was too noisy, and it landed instead at McGuire Air Base in nearby New Jersey.

Menshikov is scheduled to fly into Baltimore's Friendship Airport tomorrow.

The Civil Aeronautics Administration will take over control of the plane's flight after it reaches Gander, Nfld., where three Air Force men - a pilot, radioman and navigator - will go aboard.

The trip from Gander to Baltimore will be nonstop.

Menshikov is succeeding Georgi Zarubin, Soviet ambassador in Washington for more than five years.

Menshikov's assignment provided one more opportunity for the Soviet Union to exhibit the world's only operating commercial jet liner - even though it really is a converted bomber.

GOP Women Slate Confab

The sixth annual Republican Women's Conference is to be held in Washington, D.C., March 16, 17 and 18. Announcement of plans for the sessions was made by Mrs. Collis Moore, National Committeewoman from Oregon, and Mrs. Harry Pallady, president of the federation, also of the capitol city.

Headquarters will be in the Statler Hotel, and it is anticipated that the President, Vice President and cabinet members will be present as in the past for some of the meetings to take part in the programs.

Major social events include a reception for cabinet members and their wives on Sunday evening, state breakfasts with former Oregonians in government, a banquet on Monday and Tuesday's concluding luncheon.

Republican women in the county, including precinct committee women and representatives of volunteer groups are invited to attend. Reservations and the \$3 registration fee, which is mandatory, should be made at once with Mrs. Frederic W. Young, 6230 S. E. Reed College Place, Portland 2, Oregon.

Those who wish to may include \$8.50 for the banquet and \$5.50 for the luncheon, making the check out to Miss Bertha Adkins, treasurer. Hotel reservations must be made by February 10.

Oregon was the only state in the nation to send a Young Republican to the conference in 1957, as a contribution from the Republican women of Oregon.

Mrs. Eleanor Roosevelt ACCLAIMS NEW HEARING MIRACLE FOR THE HARD OF HEARING!

"If people only knew what a revelation and a joy the LISTENER is, they would not for a moment hesitate to wear one. This is the first hearing aid that exactly fits my needs as I can take it off and put it on as I need it. I just didn't realize a hearing aid could be as good as this!"
