There's More Good Eating Meat!

This meaty end section of the chuck roast is left on at Safeway. Many markets remove this section and sell it at a much higher price. In Chuck Roast or any cut, good eating meat is what Safeway guarantees you. Excess bone, fat, and gristle removed for you before weighing. You'll find your chuck roast at Safeway priced low — as low or lower, than chuck roast anywhere. Yet Safeway's meat is juicy, tender, USDA CHOICE, with a bonus of extra GOOD EATING MEAT!
