KLAMATH COUNTY POMONA

By Mayme Cammock

The Klamath County Pomona Grange went on record at a recent meeting as being opposed to federal acquisition of the Klamath Indian Reservation Francis Flowers, master, has announced.

Reservation resident Hiram R. Robbins appeared before the meeting with a plan calling for management of the reservation by the Indians. This plan was approved and adopted by the grange.

A large number of grange members were present at the meeting, held in the Bly School. There were four visitors, Mr. and Mrs. Herb Carlton, Upper Rogue Grange; and Mr. and Mrs. Robert Bitterling, Eagle Point Grange. Both granges are in Jackson County and Bitterling is the Pomona master of Jackson County.

An attendance contest was won by Bly Grange and the gift was a kitchen utility set. Bonifay Yancey won the special prize and Master Francis Flowers presented a gift to home economics chairman for her work during the past year.

A noon dinner was served by the host grange and Mayme Cammock, lecturer, presented her program. The opening number was a New Year's prayer to the nation by Chaplain Aletha Macken; a skit in honor of Past Master Carl Yancey, by Mr. and Mrs. Rex High, Mrs. Rosa Meeker, Wes Johnson, Mrs. Pauline Flowers, Newt Barleen, Sharie Rente, Mary Lou Caldwell, Ruth Andrieu, Frankie Hall, Lorna Rente and Lee Ann Rente.

Next there were three musical numbers by the Rente and Valentines. A song in honor of Valentine's Day "Let me Call You Sweetheart," by Alex Cammock, Rosa Meeker, Bill and Mildred Novotny, Guy Galletti and Mary Lou Caldwell.

Martha Tubach gave a talk on her national 4-H trip to Chicago and had much of her material of this trip on display.

A money raising card party was planned at a future date by the ladies of the grange. A Pomona officers meeting is to be held preceding all Pomona meetings which are in February, May, August and November. Master Flowers also said that if any subordinate granges in the county wanted help, the Pomona officers would help them with their floor and degree work.

The next meeting will be held at Henley with the host grange Henley and co-host Midland Grange, Saturday, May 10 at 10 a.m. At the close of the meeting, Master Flowers presented Carl Yancey with his past master's pin.

Income Tax Tips

Editor's Note: Don't cheat yourself on exemptions. The tax information committee of the Oregon Association of Public Accountants, in cooperation with the National Society of Public Accountants, has prepared this discussion, presented as a reader service.

How many exemptions can I claim?

Each exemption is a \$600 deduction. That is, for each exemption you are allowed to make \$600 tax free.

Exemptions determine the amount of tax-free income you are allowed each year, and are devised to make the tax fair between single persons, married couples, and large and small families.

You are entitled to one exemption for yourself. You are entitled to one additional exemption if, on December 31, 1957, you had attained 65 years of age, or if you were blind.

If you were both 65 and blind.

If the dependent has worked part time and earned less than \$600 in 1957 or was your child under 19 or over 19 and a student, and income tax was withheld from such earnings, the dependent should file a tax return to secure refund of the tax withheld.

This will in no way prevent you from also claiming the exemption for the dependent, provided, of course, that dependent meets all five of the conditions.

Thousands ask us why...

"It's the Water"

The Encyclopaedia Britannica's answer is that, since beer is over 90%

water, the composition of the water used in brewing greatly affects the character and quality of the beer.*

Olympia's own artesian wells are one of the world's few sources of water so remarkable that it is naturally perfect for brewing just as it flows from the earth. It is this rare water that achieves for Olympia—and for you—

a refreshing good taste that never changes.

*For detailed explanation see sub-section "Water" under "Beer and Brewing" in the Encyclopaedia.
