

## OTI Reports Scholarships

Approximately 30 students are now attending Oregon Technical Institute on scholarships which have been made available by Klamath Basin persons and organizations, and by other private organizations in the state.

Frank Stanko, assistant dean of me- and chairman of the Oregon Technical Institute scholarship program, reports the following scholarship students and donors: Janet Buck, KUHS Girls Athletic Association; Donald Claunch, Tokete Lions; Alan Jones, Chuck Wagon Cafe; Roy Kerr, Daly Fund; Richard Pekala, Winema Hotel; Janet Sartuzki, Dugan and West Chevrolet; Gary Renne, Ruth Powers McBride scholarship; Betty Muller, Janet Rider and Wallace Wood, three Klamath Falls Kiwanis scholarships; Steven Carlson, Charles Langseth, Floyd Brooks and Ralph Sawyer, four scholarships awarded by the OTI Faculty Wives and Women's Club; Clifford Otto, Elkton Lions Club; and Willard Showaway and Daniel Olney, two Yakima scholarships.

Charlie Wilson, Exchange Club of Tula; Ronald Allstott, Penny Art Fund; James Cooper, Kathryn Dick scholarship fund; Joseph Miller, Lebanon Kiwanis fund; Gary W. Hueners, Britt Memorial scholarship fund; Delphine McFarland, Umatilla scholarship fund; Hubert Velarde, Jicorilla scholarship fund; Sanders Heath, Stanley Smith, Gordon Rhoan and Duane Miller, four Warm Springs scholarship funds.

Stanko points out that the scholarships are awarded on the basis of scholastic achievement and good moral character, and that students wishing to apply for the available OTI scholarships should contact their high school principals for the necessary information and application blanks.

Applications must be completed and submitted not later than March 1, 1958, and all applicants will be notified of their status prior to the spring semester graduation.

Oregon Tech is now entering its second year under the state, territory and foreign scholarship program, with a total of 56 scholarships for the winter term of the 1957-58 school year. Of the total, there are 24 state, two territory, two foreign, and 28 private scholarships available to eligible students attending OTI.

## HS Principals Set OSC Trek

OREGON STATE COLLEGE — Principals of 59 Oregon high schools, including Klamath Falls and Henley, have been invited to the Oregon State College campus February 15 for interviews with former students on high school and college course offerings and counseling programs.

The principal-student interviews were started six years ago by OSC as part of an evaluation of its counseling and orientation program for new students.

Only eight schools were invited the first year but highly favorable comments from students and principals have prompted expansion of the interview program each year. Under the program, principals have individual, voluntary interviews with their graduates who are now attending OSC on the strong and weak points in high school offerings, and OSC's new student orientation and counseling work. Following the interviews, principals meet with college leaders and review comments and recommendations of the students.

Findings in past years have brought changes and improvements in some aspects of both college preparatory programs in the high schools and in OSC counseling programs designed to help students get off to a successful start in college.

TRAFFIC TOLL UP LONDON (UP) — Highway accidents killed 3,550 persons in Britain last year for the highest toll since the war, the Ministry of Transport reported today. The figure was 183 above 1956.
