

FRISKIES larger convenience size of dog food is being featured this weekend at Low Cost Super Market in the Town and Country Shopping Center. Dale Hayden, store manager, is shown completing the big display of 26-ounce cans of Friskies dog food.

FRISKIES

Friskies complete line of pet foods (Carnation quality products) are a boon to the pet-loving residents of the Klamath area.

Friskies dog food, long known in the one pound size, has been introduced in the 26-ounce size for convenience in feeding larger dogs who need a bigger dinner or for feeding two small dogs.

Other items in the complete line include Friskies Meal, Friskies Cubes, Friskies Biscuits, Friskies Kibbled and Friskies Cat Food. The Friskies line of scientifically tested pet foods is designed to produce strong bodies, sound bones, good teeth and sleek coats for growing puppies and help ward off sickness and build resistance to disease for mature dogs.

A properly nourished dog displays more fully the characteristics of his breed that make him a lovable companion and untiring helper in the field—greatly adding to the pleasure of ownership.

Friskies dog feeder is offered by Friskies at a reduced price. Two large Puphead trademarks cut from the front of any two Friskies packages and \$1.50 (sent to Friskies, P.O. Box 33, Los Angeles 51) will bring you the heavy gauge Reynolds aluminum dog feeder. It won't tip and the rounded interior makes it easy to clean.

Working blueprints for easy-to-build dog kennels suitable for varying climates and for small, medium and large dogs are also offered for 25 cents and a Puphead trademark sent to Friskies at the

AVOCADOS FOR DESSERT

You couldn't find a more unusual or delectable dessert for your Valentine's Day or Washington's Birthday party than this Avocado Cranberry Sherbet. It's not too sweet, not too rich; just perfect for any occasion. Be sure to reset the temperature control of your refrigerator to normal after the sherbet is frozen.

AVOCADO CRANBERRY SHERBET

4 cups fresh cranberries
1/2 cup water for cranberries
1 cup sugar
1/2 tablespoon plain gelatin
1 cup water
2 tablespoons fresh lime or lemon juice
1 1/2 cups finely-diced Calavo avocado

Cook cranberries in 1/4 cup of water; add sugar when berries are soft and stir until it is dissolved. Strain berries through a coarse sieve. Soften gelatin in 1/4 cup cold water and dissolve in hot cranberry puree. Add lime juice and remaining 1 cup water. Pour into refrigerator tray. Place in freezing compartment with control set at lowest temperature and freeze. Cut avocado into halves lengthwise and remove seed and skin. Dice fruit finely. Stir sherbet twice during freezing process, adding avocado when sherbet is almost firm.
