

THE DOMINION OF CANADA will gain a handsome family of six with the move of William H. (Bill) Wilson, his wife, Barbara, and their four children, from Portland, Oregon, to Winnipeg, Manitoba, on March 1.

In the picture, Bradley, 6, is standing center; Mrs. Wilson holds Lynette, 4 months; De Anne, 2, is at the left facing her father and sister Kathryn, 5.

Barbara and Bill were classmates at Klamath Union High School, and were graduated in 1945. They were married in August, 1947, and Bill continued with his college studies at Oregon State College, graduating in 1950.

They moved to Portland in June 1953, where Bill was life insurance manager for Jewett, Barton, Leavy and Kern. He joined Great West Life Assurance Company in Portland three years later as regional group insurance manager for Oregon and Washington.

His current appointment takes him to the head office at Winnipeg in the agency department. His new title is supervisor of sales for the company's 62 branches in Canada and United States.

The family was here recently for a farewell visit with grandparents, Mr. and Mrs. Frank H. Marks, 2105 Auburn; Mr. and Mrs. J. Perry Wilson, 223 North Sixth Street; great-grandparents, Mr. and Mrs. Henry Bowen, Lakeshore Drive; and H. H. Jenkins, Ashland Highway. They also have a great-grandmother, Mrs. Edith King, Oakland, California.

Bill and Barbara were an active and popular team in high school, and continued teamwork paved the way for Wilson's outstanding record in his chosen field.

A HEART WARMING HOUSEWARMING was the one given recently for Marvin and Peggy Kuhlman when a crowd of close neighbors from Riverside Drive converged upon the Kuhlman's at their just-completed home, 343 Donald Street.

The Friday night visit on January 31 was a surprise to the fated couple who opened the door to two dozen friends laden with food, beverages and a handsome Avarici plant in an equally handsome and decorative ceramic pot on a brass stand — with each former neighbor beaming good wishes for the new Kuhlman household.

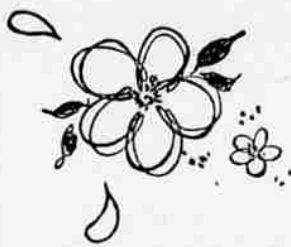

In the picture, Mrs. Fred Goeller, 406 Riverside, far left, presents the plant to Mrs. Kuhlman, far right. The other three are, left to right, Mrs. Adolph Zamsky, now living at 104 Washington Street; Mrs. Alfred Carlson, 402 Riverside; and Mrs. Clyde Hutchens, now at 339 McKinley.

The plant was chosen as a gift after "detective" Pauline (Mrs. Howard) Pernell, 324 Riverside, found out it was something that Peggy yearned for.
