

Girl, "piggy-back" boy await turns.

Ah, so! It was ever thus, even in land of rising sun! Amidst laughter, there's always tears of one who lost her mama-san!

Favorite ride is Kuru-Kuru, which towers above all others. Outer rim, where patrons sit, tilts and rotates slowly around center axis. Ride gives commanding view of playground and 360-degree look at Tokyo itself.

Streamlined choo-choo train fascinates youngsters; diesel-powered model chugs around edge of roof.

HONORABLE Tokyo Chamber of Commerce has same problem America. Honorable mother shop. Honorable child play. Is decision for mother. Make child happy if go to playground. Make child unhappy if go to store. Solution simple. Build playground on top of store. Child spend happy time on roof. Mother spend money in store. Store manager spend Winter vacation in Bermuda. Thank you.
