

SMASHED AND TWISTED front seat of the car driven by Elder Ronald Kegley of the Klamath Falls Seventh Day Adventist Church is shown in this picture taken by Lucile Gaynor, Herald and News reporter at Weed. The car-truck accident happened about 2:15 p.m. on Monday on Highway 99, about three and one-half miles north of Weed. Elder Kegley underwent surgery at Mount Shasta Hospital on Tuesday afternoon and this morning was reported "doing as well as can be expected," he was conscious and Mrs. Kegley is at his bedside. His four passengers in the car, women members of the same church, received less serious injuries.

French Said Ready To Make Concessions To Tunisians

WASHINGTON (AP)—France was reported today to give up five small Tunisian air bases and convert its Bizerte naval base into an Atlantic Pact installation to ease tensions in the area. American and British diplomats pushed backstage arrangements to help France and Tunisia settle their dispute. The U.N. Security Council met to consider the dispute but turned it over to the conciliators, who said they had affirmative proposals in mind. Responsible diplomats said France was ready to consider, as part of any peace plan, substantial reductions in the 15,000-man force it maintains in Tunisia. They insisted, however, that if Bizerte is converted into a North Atlantic Pact base, French forces must be allowed to man the installations. France would not object, however, they said, to including personnel from other Atlantic Pact countries too. Tunisian President Habib Bourguiba has demanded that France withdraw all her troops and abandon the Bizerte base. He acted after French planes bombed and strafed a village France said was an Algerian rebel stronghold. To demonstrate their view that France is prepared to be reasonable, the diplomats reported that Premier Felix Gaillard's government also was ready to: 1. Create a corps of French-Tunisian observers to watch the border with Algeria and check frontier violations by either French or Algerian rebel forces. 2. Create a five-kilometer-wide "no man's land" on the Algerian side of the Tunisian border. This probably would be an extension of the present electrified barbed wire fortifications the French have erected along 700 miles of the 1,200-mile frontier.

President Names Director For New Civil Rights Group

WASHINGTON (AP)—One more stumbling block to the functioning of the new Civil Rights Commission was cleared away today with President Eisenhower's nomination of a staff director. The President announced in Thomasville, Ga., where he is vacationing, that he was naming Gordon M. Tiffany, a former New Hampshire attorney general, for the \$22,500-a-year post. Tiffany said he was accepting the job with "an open mind" and had no preconceived notions about bitterly contested civil rights issues. As a lawyer, Tiffany has appeared before federal agencies and courts in Washington, but he is not known to most members of Congress. The six-member commission, provided for in the Civil Rights Act passed by Congress last year, has been marking time while waiting for a staff director to be named. Not even a clerk has yet been hired. The commission's assignment is to investigate sworn charges of the denial of voting rights because of race, creed or color and to study federal laws and practices relating to civil rights generally. The full-time staff director will be responsible for supervising the group's day-to-day activities. His appointment is subject to Senate confirmation. The commission members themselves have not yet been confirmed by the Senate. Tiffany, 46, is a practicing attorney in Concord, N.H., and now a member of that state's Legislature. In 1950, he was named an aide to Sherman Adams, now Eisenhower's top assistant, when Adams was governor of New Hampshire. James C. Hagerty, Eisenhower's press secretary, said however that Adams had nothing to do with the recommendation of Tiffany for his new post. In 1951, Tiffany was named state attorney general and left that post two years later to become Concord's city solicitor. He resumed his general law practice in 1954.

Girl Scouts Plan Event

WEED—Approximately 120 Girl Scouts and Brownies of Weed Troop will participate in a special "Thinking Day Program" Saturday afternoon, February 22, to honor Lord Baden-Powell, founder of all scouting. The program is slated at the Weed Court Club from 1:30 to 3:30 p.m. A highlight of the afternoon program will be an exhibit of dolls of nations with each troop presenting a doll selected and dressed for the occasion. Songs and dances of the nation depicted by the doll will be presented by the respective troops for entertainment. Each girl will bring pennies, amounting to the number of birthday years, for deposit in the special Juliette Low Memorial Fund and will be sent to the Girl Scout Chalet in Switzerland. An annual summer visitation of Girl Scouts of International representation is held at the chalet. All parents and interested persons are invited to attend the Thinking Day Program. Refreshments will be served and are being prepared by Girl Scout Troop 69 and Senior Girl Scout Troop 52. Mayan Indians achieved a high stage of civilization in Central America before the birth of Christ. Their temples were built mostly of limestone and mortar.

RICHARD L. EVANS

Speaker Set By Local Club

Richard L. Evans, known by millions as the voice of the Salt Lake City Mormon Tabernacle Choir, will address the Klamath Falls Knit and Fork Club Monday evening, February 24, at 6:45 in the Willard Hotel. Evans, the author of seven books, will speak on "Prescription for Uncertainty." He recently stated that there must be a prescription for uncertainty, because that's what we all live in. In addition to being the holder of the honorary LL.D. degree from the University of Utah and a member of the board of regents, he is the former president of Rotary and the Bonneville Knife and Fork Club, Salt Lake City, and is active in business, civic and church affairs. Local Knit and Fork Secretary Fred Southwell, said that "for this age of anxiety in which we move speedily, but often uncertainly, there is a calm, clear voice that carries with satisfying assurance, with unusual expressiveness and with an effective humor." The secretary added that Evans has a voice that for nearly 30 years on the air has touched the lives of millions of people of many creeds and countries.

PTA NEWS

HENLEY
By Mrs. Fritz Thoeleke
Founders' Day was commemorated with a silver tea by the Henley PTA in the grade school gymnasium, Wednesday, February 5, at 2:30 p.m. The first PTA president, Mrs. Burt Hawkins, and Mrs. Henry Semon poured. As Mrs. Olive Marshall, chairman of this event, narrated, different scenes in PTA history were presented. PTA was founded in 1897, so Mrs. Bonnie Finchum played the piano and sang a song popular at this time, while Mrs. Don Johnson and Mrs. Robert Dehlinger modeled dresses of this period. Henley school was established about 1909 and to commemorate this event a song written that year was sung by Sandra Short and Sharlene and Coleen Finchum accompanied by Mrs. Finchum at the piano. Janice Marshall modeled her grandmother's wedding dress. In 1915 PTA was organized at Henley school with Mrs. Burt Hawkins being the first president. The past presidents of Henley PTA present, were introduced by Mrs. Marshall. Further entertainment was provided when the high school French class sang three songs in French under the direction of Mrs. Frantz. President Mrs. L. M. McBride called the meeting to order. Mrs. Jackson's first grade led the flag salute and also won room count with a 36 per cent parent attendance. The January minutes were read and approved. Mrs. Goldie Peterson reported a balance of \$86.17 in the treasury. Mrs. McBride introduced Mrs. John Paitman, president of Klamath County PTA Council. Plans to blacktop a plot of the grade school playground were discussed during the business meeting, and a special committee was appointed to look into this matter. The state convention will be held at Bend, Oregon, on April 21, 22 and 23. It was announced that the bloodmobile would be at OTI on March 4 and at the Elks Temple, Klamath Falls, on March 5. February 15 is the date set for the Henley PTA fund-raising rummage sale, to be held in the building across the street from Sears. The next meeting is scheduled for March 5 at the grade school.

Post Office Takes Shape

DUNSMUIR—Occupation of the new post office building is expected late next month, according to Postmaster William Welch, with formal dedication to be set later in the spring when all of the new equipment is in use. Welch describes the new 5,000 square foot building as a "postmaster's dream." The pumice block, stone trimmed building will be air conditioned and have 500 feet of fluorescent lighting in the general work room and lobby. A side door for loading large vehicles has been provided on the Willow Street side of the post office which will face Florence Avenue. A 12 by 30 work platform facing Sacramento Street will allow smaller vehicles to be loaded. The floor level of the new building has been designed to provide level loading of mail vehicles. Welch explained that the post office staff at Dunsmuir has been operating under a handicap since Dunsmuir became a postal concentration and distribution point three years ago. The construction has been done under a bid awarded to Peter Motz, Dunsmuir businessman, and supervised by Joseph Altes, contractor. It has been built solely for post office use and will be leased by the United States government. The first such building under a new post office program, Welch explained. The interior plans are the result of nationwide research on post office needs and include such features as an inspection gallery, a walk-in vault, acoustical ceiling, grey lined oak trim and soft colors. Construction expenditure will be over \$110,000 Welch estimated. What are the needs for blood? The 31 civilian hospitals and two Veterans hospitals use 4,500 pints of whole blood per month. In addition the Red Cross blood program supplies for you and your neighbor, without charge, plasma, serum albumin, gamma globulin and fibrinogen. These derivatives are manufactured from the blood you lend to save a life.

Tree Planting Bids Sought

YREKA — District Ranger Les Clark announces that bid invitations for tree planting on the Bogus burn northeast of Yreka will be received until 2 p.m., March 3, at the forest supervisor's office of the Klamath National Forest in Yreka. The project calls for the planting of 102,000 two year old Jeffrey pines this spring. The stock is grown at the forest service nursery at McCloud. Persons interested in bidding the project should contact the district ranger at Mt. Hebron or the Yreka headquarters of the forest service. The rehabilitation project of the burn will extend over the next several years, according to Ranger Clark.

Butte Valley School News

DORRIS—The 1958 White and Gold has finally been put to bed after a long, tedious job. Wes Guderian, Klamath Falls, took the senior and junior pictures as well as all action shots at school. Leading this year's staff as editors were Brenda Holder, Theora Coles and Thaya Olson. Mrs. John Hines was faculty adviser. Different departments were headed and handled by Theora Coles, senior and junior pictures; Thaya Olson, divider pages and sports; Janet Maltzen and Sandy Miller, faculty, chorus and band; Norma Struble, sophomore and freshmen pictures. Also Loraine Lewis, senior play; Beverly Walton and Glenda Johnson, classes; Brenda Holder, pep club, Block B and GAA yell leaders and song leaders, student council; Alice Nunemaker, Hi Y, journalism and GSF; Vina Durhan, snaps, Beverly Harrington, advertising manager, was assisted by Mike Branham, Pat Collins and Sandy Miller. The layout sheets were taken to Yreka to the printers on Friday. The White and Gold should arrive at Butte Valley High School on May 15. Railroads in Burma run only in daylight hours. Night runs were abandoned in 1948 because of sabotage.

CHINESE SEE IN NEW YEAR

NEW YORK (UP)—Residents of New York's Chinatown began a five-day New Year celebration Tuesday welcoming the advent of the Year of the Dog — the year 4656, according to the Chinese lunar calendar. The celebration, running through Sunday, will reach its climax Saturday when lions and unicorns will be joined by a golden dragon with many feet in street processions.
