

Hail to Potato Pals!

TWO MILLION POUNDS! Yes, but only a fraction of the total amount of Oregon potatoes we purchase each year for shipment to Safeway stores from Astoria to New York City. In 1956, for example, Safeway potato purchases from Central Oregon, Eastern Oregon and the Klamath Basin amounted to 46,305,325 pounds... the equivalent of a train of freight cars 14 1/2 miles long! Carloads of Oregon potatoes are now enroute to Safeway stores throughout the nation. And your neighborhood Safeway store has a complete selection of Oregon potatoes... the quality you want, priced to give you greatest value!

KING SPUD!

This week, our "best buy" spotlight falls on the wonderful, versatile potato... monarch of the vegetable kingdom! Meet King Spud in all his many forms... discover what a regal budget-stretcher he can be. Come in today... join the fun as we salute King Spud!
