

Bread Bandit Stays Hidden

The phantom bread bandit of Klamath Falls won't give the city patrolmen a second chance.

The owner of the Alameda Grocery recently reported to police that "someone" had been stealing bread from the early morning bread delivery box in front of the store.

Early Monday morning city patrolman Rex King was staked out near the store and the bread bandit appeared. The big Chesapeake dog sauntered up to the open bread box about 6 a.m., glammed on to a loaf of bread, and marched down the sidewalk. When King hollered the dog put his legs into high gear and escaped.

Patrolmen have kept an eye on the store the past few mornings but the bandit has not appeared to snatch a loaf.

"He's obviously no amateur," the police comment, "he knows he can get 30 days on kibbles and water if caught."

The dog had for more than 10 weeks been taking his morning ration from the bread box.

INTERFERENCE CHARGED
WARSAW, Poland (UP) — The Catholic vicar of Zuromin, Jozef Czarnecki, and seven other men were held by police today on charges of interfering with the funeral of Zuromin Communist leader Stanislaw. The Red newspaper Trybuna Ludu, in reporting the arrests, said Czarnecki led the others in efforts to block the cemetery entrance and physically attacked militiamen accompanying mourners.

40-60-176 "Crisis Stops"

-but Buick's Aluminum Brakes never lost their grip

Accelerate to 60—then step hard on the brake till she stops! Do it again and again and again—till the heat starts burning out the linings:

That's what test drivers did in Daytona Beach and in California with new American cars—trying to find which car has the best brakes:

The 1958 Buick CENTURY went through 176 of these "crisis stops"—up to 8 times more stops than other cars tested—and the brakes were still gripping strong: No other car's brakes measured up to this phenomenal performance:

That's because Buick brakes are air-cooled aluminum brakes—and aluminum gets rid of heat three times faster than other brake drum metals:

If you want brake power that's built to match horsepower—you'd better buy Buick:

Aluminum front brakes are standard on CENTURY; SUPER; ROAD-MASTER 75 and LIMITED, optional at extra cost on SPECIAL Series:

One Reason Why The Newspaper Gives More For The Advertising Dollar

NEWSPAPER ADVERTISING REACHES MORE PEOPLE THAN ANY OTHER MEDIUM

96 out of every 100 Klamath Falls families subscribe to the daily and Sunday Herald and News. 82 out of every 100 people 12 years of age and over read the newspaper during an average day. Every one of these people has the opportunity to see every ad in the paper. Only a small number of these people could be reached by any TV, radio or magazine ad.

The Herald & News Is The Basic Advertising Medium Of The Klamath Basin

Prudent advertisers invest the major part of their advertising budgets in the Herald and News.
