Why "Good-Time Charlie" Suffers Uneasy Bladder

Unwise eating or drinking may be a source of mild, but annoying bladder irritations—making you feel restless, tense, and uncomfortable. And if restless nights, with nagging backache, headache or muscular aches and pains due to over-exertion, strain or emotional upset, are adding to your misery—don't wait—try Doan's Pills. Doan's Pills act 3 ways for speedy relief. 1—They have a soothing effect on bladder irritations. 2—A fast pain-relieving action on nagging backache, headaches, muscular aches and pains. 3—A wonderfully mild diuretic action thru the kidneys, tending to increase the output of the 15 miles of kidney tubes. So, get the same happy relief millions have enjoyed for over 60 years. New, large, economy size saves money. Get Doan's Pills today!

He Raises Fur Coats

Charles R. Williams of Dunellen, N. J., has turned his hobby into a profitable—and rather exclusive—full-time job. Starting with four pairs of chinchillas in 1947, Williams today has a thriving business raising and selling chinchillas for breeding purposes. The cute little animals, actually members of the rodent family, produce three litters a year with one to five babies in each litter. Their fur is among the world's most expensive.

The hardy chinchilla belongs to the rodent family and not the rabbit, as many believe.

What started as a part-time hobby for Williams has ended as a full-time vocation.

Spotless feeding pens have helped keep the chinchilla mortality rate unusually low.

Coats made from rare, luxurious chinchilla pelts are among the world's most expensive.
