## Road Project Report Aired

The county court has been informed that the confusion has been cleared up relative to qualifying the McAllister Springs-Lake of the Woods road for public road improvement funds.

The proposal for qualifying the road was submitted to the forest service last year by representatives of the State Highway Commission. Subsequently, the Klamath County Court was informed that arrangements for the project were being held up due to some disapproval on the parts of the U.S. Forest Service and the U.S. Bureau of Public Roads.

Last Friday County Commissioner Jerry Rajnus and County Road Engineer Bill Canton attended a meeting with forestry officials and were informed that the reported disapproval was the product of a "little confusion" within the participating agencies.

It was pointed out during the session that the USBR funds are not definitely earmarked for the McAllister Springs road, and that the project will be considered along with other contemplated road work in the Northwest.

The court was advised that under present programming, it may be possible to do the survey work for the road during 1959, and that contracts for the work can possibly be let during 1959 or 1960.

## HAIRDRESSER KILLS SELF

ST. PETERSBURG, Fla. (UP)—The third suicide leap in four months from the Sunshine Skyway across Tampa Bay occurred Wednesday when Alexander MacKenzie, 56-year-old hairdresser, jumped 155 feet to his death. The spectacular span is part of a 15-mile linkage of bridges and causeways across the water.
