

K. Falls Quota Club Parade of Stars

"PARADE OF STARS" was the theme for Klamath Falls Quota Club's 1958 Woman of Achievement Banquet in the Pelican Party Room, and Ninon Nyback, last year's club president, made the award presentation. She also created the startling background inspired by the theme.

Star-framed photos of past "Women of Achievement" were scattered on the end wall in a "sky" effect studded with tiny star-like lights.

The arrangement on the ledge was lighted from within giving the illusion of tall pinnacles reaching into the sky.

Not shown in the picture was a star above the pinnacles that framed, instead of a picture, a large question mark. Later in the evening, after Myrtle Wimer of Fort Klamath was revealed as this year's award winner, the question mark was removed and Mrs. Wimer's likeness joined the previous year's winners.

In the picture, from the left, are Ruth Johnson, who arranged the program of outstanding entertainment for the evening; guest speaker, Bill Graham, Klamath Falls manager for Johns-Manville; Margaret Baillie, club president; and Eva Dickson, first vice president.

Bill Graham, obviously a veteran dinner speaker, interspersed his startling and informative talk on "Looking 25 Years Into the Future" with clever and strategically spaced laugh provoking anecdotes and bits of whimsy that kept his attentive listeners with him through all the 25 year preview with flattering bursts of spontaneous handclapping and vocal applause.

Dancing in a tropical setting will be to music by LaMar Jensen's Combo and elaborate decorations will carry out the theme.
