

Before you choose a health and accident plan...

Ask yourself "How LONG does it pay?"

LONGER THAN 3 MONTHS?

Many ordinary plans stop after 90 days. Not long enough to cover you for a really long term sickness or accident.

UP TO A LIFETIME?*

Yes, if it's a Mutual of Omaha plan!

*Mutual pays you cash each month for as long as you're totally disabled or confined to home or hospital by sickness covered by your policy—yes, even for life!

LONGER THAN 2 YEARS?

Other plans call a halt after 24 months. Your income stops—no matter how long you'll be laid up, or how much you need the cash to help buy food, pay the doctor or rent bill!

"How MUCH does it pay?"

Mutual of Omaha sends out over \$2,000,000 EACH WEEK to people like these:

GEORGE GROFF:
\$10,218.32

Seriously ill since 1949, Mr. George Groff of Ocean City, N. J., has to date received a total of over \$10,000.00 from Mutual of Omaha. What's more, he'll get a cash income each month from this same policy for the rest of his life, if he continues so disabled.

EDWARD L. MARTIN:
\$31,844.33

Mr. Edward L. Martin of Algiers, La., knows the value of this protection. Since 1931, it has paid him more than \$30,000.00! "I don't think I could have lived without those Mutual of Omaha checks," says this former Pullman conductor. As long as he remains totally disabled, Mr. Martin will keep on getting this monthly income—even for life!

EARL FREITAS:
\$15,550.00

Ex-welder Earl Freitas of Oakland, Calif., has used his monthly income checks to help pay for clothing, food, and other household expenses. He'll keep getting this income just as long as his current illness keeps him laid up at home—even for life. So far, they have totaled more than \$15,000.00.
