LOCAL Klamath Basin GRADE "A" MILK

Surveys show you benefit 3 ways when you drink 3 glasses of milk each day. First of all, you feel better because milk is chuck full of vitamins and minerals for better health. Second, you look better, too. Milk's "good looks" vitamins will give you a smoother complexion. Third, the money you spend for local Grade "A" Milk is reinvested in the community helping boost our entire economy!

**LOCAL MILK
IS DISTRIBUTED
BY CRATER LAKE
AND MEDO-LAND**

KLAMATH BASIN GRADE A PRODUCERS ASSOCIATION

An organization of Local Dairymen whose job it is to bring you better, richer, fresher milk . . . locally produced for local people!
