Now Many Wear FALSE TEETH With More Comfort

FASTTEETH, a pleasant alkaline (non-acid) powder, holds false teeth more firmly. To eat and talk in more comfort, just sprinkle a little FASTTEETH on your plates. No gummy, goopy, sticky taste or feeling. Checks "plate odor" (denture breath). Cleans FASTTEETH at any drug counter.

ALTURAS GARDEN CLUB

By Mrs. Ralph Laird

The Alturas Garden Club met in the library of the Modoc Union High School for the February meeting with Mrs. G. Guy Young presiding. Routine business was conducted and reports from the Klamath District Garden Clubs board meeting were given by Mrs. Warren Cantrall and Mrs. Ralph Laird who had represented the Alturas club.

Loring White, Modoc County agricultural commissioner, was the guest speaker. He gave an informative talk on dormant spray. He stated that it is never too early to start spraying for scale insects, oyster shell insects, pine needle scale and aphids.

Mrs. Warren Cantrall reviewed

"Birds Around The Year," a book by L. L. Butler. Mrs. Cantrall is bird chairman of the Klamath District.
