CHILOQUIN

CHILOQUIN—Gifts were made to both the high school and the grade school in honor of the past presidents of the local chapter of P.T.A. at the last meeting, when the founding of the national organization and the history of the Chilquin group were reviewed. Frank Hale, principal of the grade school, accepted the gift of a new flagpole, and John Mathis, principal at the high school, was told of the purchase of a new desk lamp for the student office desk. Mrs. Robert Doak, president, made the presentation.

During the business meeting it was decided to hold a public dinner and entertainment in April with Mrs. Gordon Kuist as general chairman, and to have school board member Lester Hoback, make inquiries about the possibility of getting a sidewalk installed from the grade school north across the railroad tracks and to the business section of town.

The March meeting was held Monday, March 10, at 7:30 p.m. in the grade school gymnasium at which time high school students in the speech classes gave the entertainment.
