

Toy Shop in COPENHAGEN

Kay Bojesen has specialized in making wooden toys for Danish tots.

Toy soldiers are still the rage.

Bright simplicity marks a zebra.

KAY BOJESEN is one of Denmark's leading toymakers and for years his shop has been a favorite attraction for children and adults in Copenhagen. Bojesen's wooden forms are turned out in a factory, but the assembling and painting is done by hand—the trademark of his simply designed and cleverly painted toys.

The colorful wooden toys are assembled by hand.
