Klamath Union High School

March 16, 1958

ESTELLINE KIGER, Klamath Union High School senior, is pictured presiding over a club meeting in Mrs. Franc Baillie's displayful biology room.

Sophomores To Order Traditional Class Rings

By MARGIE SHIELDS
Have you ever noticed the students that walk up the left side of the front lawn in the mornings on their way to school and down the right side when school is out? Yes, you guessed right, they are the sophomores of Klamath Union High School.
This year's sophomore class is the largest in the history of KUHS with a total enrollment of 447. Officers of the class this year are as follows: President, Richard Moore; Frances Kenyon, vice president; Carol Ross, secretary and Bobbie Taylor, yell queen. Advisers are Mrs. Fern Peak and Mr. James Thornton.
It was discussed in their last meeting of March 4 that the senior rings will be available to view and order the last of April and through May. This will enable the students to get their rings the first of their junior year. The ring committee will be composed of all class officers and representatives. They will meet the salesmen and choose the design.
Financial status of the class is around \$200 which was obtained from the student dues of 50 cents apiece. The collection was taken up in the English classes through representatives.

They, look out for the bed springs. Famous last words that Miss Eva Burkhalter probably heard when some members of the junior class and the adviser helped her move her furniture to her new apartment.
"Who wears short shorts?" Keeping in the trend of the rock and roll theme during a recent assembly by KU students as: "At The Hop," "Lend Me Your Comb," "Sugar Time" and "The Stroll" was demonstrated for the first time in KU.
What a tight schedule the Art Club had during their recent trip to Portland.
"Hallack alias Mr. Dale Hallack, better known for teaching orchestra provided the entertainment at the Girls League meeting on February 25.
Gosh, did you hear Wayne Angel play with the Klamath Union High School Symphonic Orchestra? He was the featured violin soloist, and everybody said he was just wonderful.
Heavens, all this advance math sort of leaves me in the fog. But for those students interested the slide rule class has started again during activity period.
KU has finally gotten back their Junior Miss Oregon, Darlene

Junior Class Raises Funds

Two methods for obtaining the extra money needed to finance the junior prom were decided on at the junior class meeting Tuesday, March 4.
Girls of the junior class are going to have a cooked food sale, which will be supervised by Miss Eva Burkhalter, modern math and algebra instructor. A scrap iron drive will be held by the boys under the guidance of Mr. Richard J. Unger, English, Journalism, and publications instructor. Boys and girls will compete to determine who can obtain the most money. The second fund raising idea is to have each member of the class pay a dues of 50 cents.
Chairmen for the projects are Dell Smith for the boys' iron drive, and Thirza Goeckner for the girls' food sale.

JUNIOR SENIOR PROM plans are being headed this year by the above students, from left to right, Rudy Hedberg, Lois Sneed, Jim Compton and Susan Boyd who are the present junior class officers. The date for this gala event is set for April 18. Pictures of this season's prom will be published in the El Rodeo supplement this summer.

Around KU

By Sally Loveless

Girls Athletic Association recently changed their name to Girls Recreation Association, as they say, a new name but still the same fun loving club.
Say, there were some new faces seen around KU on March 5. Reason for this, well the Dorris High School had some of their language department students visiting the KU language department here.
Gee, just think, one whole day away from school (although the work had to be made up) the KU band went to Eugene for an exchange concert. Last year Eugene came here as though News Nugget has a person who never seems to run out of jokes. She is Margie Shields, the only sophomore on the Nugget staff. And boy, she really comes to class with some doozers.
Gosh, just think, no school for a whole week, words very commonly heard around school as spring vacation draws near.
One thing that the Ski Club always looks forward to is their annual trip to Hoodoo. This year each student had to sell at least 10 tickets for \$100 merchandise certificates at Baisger Motors, which will be awarded March 10.
Mrs. Loretta Druecker, adviser of Girls League has been meeting with the girls for nominations for the girl of the year.
Helping the Red Cross Bloodmobile after school on March 6 was the duty of the members of Future Nurses.
Four, doesn't that sound familiar? It will probably be the famous word of the KU Golf Club.
Should Twirl Season become a school tradition or not was the topic of discussion at the last Traditions Committee meeting.
Nancy Drew, a '57 grad was one of the six finalists in the Little Captain Contest put on by the Pershing Rifle Club at the University of Oregon.

Buchholz, who recently went to Mobile, Alabama, to compete in the Junior Miss America Contest.
Say, have you noticed around town that this warm weather seems to bring out an abundance of pretty spring clothes?
Script and Mike, a well known club around KU, held their induction on February 25 in the cafeteria.

Irish Honor St. Patrick

By SHIRLEY STILLWELL
St. Patrick, the national saint of Ireland, will again be honored by the Irish people throughout the world, March 17, the date of his death, has been set aside for commemorating his great life.
At the age of 106 years, St. Patrick died in 493 A.D. at Saul, County Down, and was buried at the Chieftain's Fort, about two miles from town. Bishops, priests and laymen gathered from all parts of Ireland around the burial place of his beloved leader.
Especially loyal in their devotion to St. Patrick are those Irishmen who have chosen to make their home in the United States. The first layman's celebration on this day was held under the auspices of the Charitable Irish Society of Boston about the middle of the 18th Century. Later the Friendly Sons of St. Patrick was organized in Philadelphia and New York to take special note of the anniversary. St. Patrick's Day is observed in New York City also with a special mass and parade on Fifth Avenue reviewed by the cardinal and staff of St. Patrick's Cathedral.
Irish songs such as "When Irish Eyes are Smiling," are played and sung throughout the day much as the caroles at Christmas time. Little children especially revel in pinching anyone who is not wearing a touch of green.

What a tight schedule the Art Club had during their recent trip to Portland.
"Hallack alias Mr. Dale Hallack, better known for teaching orchestra provided the entertainment at the Girls League meeting on February 25.

Spring Brings New Outlook

By NELETA DUNLAP Editor-In-Chief

Spring! When a person wakes up in the morning a faint trickle of sunlight may peek through the window. Sometimes it doesn't last through the day but nonetheless it's there and tangible for a short time.
Spring is coming at last. After winter sports are losing their interest, nature is kind enough to keep us interested in staying on the earth. She changes seasons just to avoid our boredom.
Spring is the most welcome of all seasons. It is a complete turning point in any year. The first bit of sunshine is the most welcome sight a person can see. When a warm summer has finally

arrived it is welcome and fishing, swimming and water skiing are in full swing; when fall slowly comes into being it takes some of the joy and speed out of activities and turns to more thoughtful, thankful forms of fun; when fall changes to winter it doesn't seem as large a jump as the other changes, but spring brings about a whole new conception in living. It makes last year's problems seem lighter for the time being and puts new hope into all people. Easter, Lent and Mothers Day also add to the inspiration of this season.

Dorris Coeds Visit Klamath

By NELETA DUNLAP Editor-In-Chief

Dorris High School Spanish students visited Mr. Raymond Labos' fourth period Spanish class Wednesday, March 5.
Twenty six of these students came in a bus to visit the Spanish class and to order their lunch in Spanish from a local Spanish restaurant, La Fiesta. The first and second year students and their adviser, Mr. Phillip Staab, came to Klamath Falls as a field trip and a reward for diligence on the part of the students.
Roger Dahl, a junior from Dorris High School, is of the opinion that KU students have to work a little harder in language class. He is planning on a career in teaching and thinks Spanish will be a big help in his chosen career. He said, "Spanish is a good course and I think at least one year of a foreign language should be required of all high school students."
This summer some of the students are planning a trip to Mexico as a still further way of increasing their knowledge of Spanish.

Faculty Wins Annual Game

By BETTY YANCEY

Oregon's No. 1 rated basketball team, Klamath Union High School, knows they will be well represented this year at the state basketball tournament to be held during spring vacation, March 16-22.
But just going isn't enough! With the schools rally squad and student faculty members attending, KU boosters are urged to wear white shirts and blouses to form a white shirt section at the game Klamath is to play.
Last year, the tournament showed many colorful sections representing the schools colors. By showing KU's outstanding team that everyone is behind them by forming a white shirt section, it may mean the Pelicans winning or losing.
Many students are going up to attend the whole week. This isn't really necessary but if you can go up for at least one game, it will help the Pelicans to crowd the other teams clear off the floor.
Let's show them we are backing them 100 per cent. Go to state! Form a white shirt section!
America and defeat cannot be made of rhyme.

Section Wanted At Tournament

News Nugget Staff Plans 1958 Banquet

As the school year draws to a close, a big event for the News Nugget staff is their annual banquet.

This year Sari's Italian Restaurant will be the setting for the banquet. It is scheduled to take place April 30. The staff members and as many guests as they want to bring, as well as next year's News Nugget staff, are invited. This includes Clino Roper, Myron Yaden, Vickie Peeler, Nancy Cedarleaf, Darlene Clark, Marie Cloud and Naomi Cole.
The program will include a guest speaker and the distributing of awards.

Art Entries Make Exhibit

By MARIE ARNOLD

Out of 37 entries sent from Klamath Union High School to the Regional Scholastic Art Awards Exhibit held in Portland, nine made the exhibit. All entries sent in were judged and a jury chose the ones which qualified for exhibition. Second, third and fourth year art students were eligible to display their work.
Pat Carney, a sophomore, entered an oil painting of a house and tree in the snow and a pen and ink of an old couple on a park bench. On the latter Pat won both a gold key and a blue ribbon.
The ribbon enables the picture to be sent to New York City for the National High School Art Exhibit which will be held June 5-30.
Joyce Dowdy entered a ceramic sculpture of a duck which also won a key. Sharon Jones exhibited a pottery dish and a vase which was coated with a new lava glaze. Jerry Sawyer exhibited a wood carving; Susan Moss, a ceramic dish; Mary Ann Harper, a pottery pitcher; and Sharon Ward, a linoleum print designed for a fabric.
Friday, February 21, through Sunday, February 23, art club members went to Portland for the annual exhibit. Twenty-one, all having had at least 10 hours work on art club projects, went.
The following members made the trip to Portland: Marlys Albert, Donna Barrett, Barbara Blanchard, Stephanie Bonotto, Pat Carney, Gary Carr, Joyce Dowdy, Mardeane Drago, Barbara Fanning, Altha Granquist, Ron Hill, Mike Knapp, Katherine Lemire, Susan Moss, Sharon Odell, Jane Swaney, Bonnie Thompson, Beverly Westlund, Ronnie Wheeler, Sharon Zachary and Gene Simmons.
WOMAN COACH
OKLAHOMA CITY (AP)—Harding High School boys wanted to have a swimming team but they couldn't find a coach. Finally, they decided to ask a woman counselor, Mrs. Nan Peyton. Under the direction of their woman coach, the boys won their first two meets.

Ski Club Visits Hoodoo Ski Bowl

By SUSAN BRETCHES

Hoodoo Ski Bowl was the destination of the ski club March 8 and 9.
To help them finance the trip, ski club members showed several films on skiing. A \$100 prize gift certificate from Baisger Motor Company was given away.
Officers of ski club are Gary Kranenberg, president; Stephanie Stroud, vice president; and Nelda Snook, secretary-treasurer.
Mr. James Inglesby and Mr. Glen Terriere are the advisers of ski club.
The arrows of our anguish fly farther than we guess.

PTA NEWS

GILCHRIST

GILCHRIST—The Gilchrist PTA met March 11 in the school with Mrs. William Forrester, president presiding. An article on spiritual character building was written by Dr. Eldon Trueblood a n.d. published in the PTA monthly magazine was reviewed by Mrs. William Taylor, Leanne Curtis and Mary Evans sang a song in keeping with the spiritual theme.
Vernon Roche, principal, announced the preschool clinic will be held April 24. Other dates announced were April 11 for the school play; May 2, achievement day, and May 9, music festival at Klamath Falls.
Roche also stated that the Gilchrist basketball team had been awarded the good sportsmen's trophy at the Klamath County basketball tournament held recently at the OTI gymnasium.
Several speech students, who participated in the county speech festival, were introduced by Bruce Frojen, high school teacher, and repeated their entries for the PTA. The students were Mary Helen Edgar, Sharon Hill, Carol Lake, Elizabeth Howey, Gerald Warren, Eric Erickson, Harold Roseberry and Linda Stumbaugh.
Attendance honors went to the sixth and twelfth grades. Mrs. Forrester requested members to attend the state convention in Bend April 21, 22 and 23. Gov. Robert Holmes will be one of the speakers.
Refreshments were served by sixth grade mothers.

TOO YOUNG FOR FAME
MILWAUKEE (AP)—Jay Hook, the pitcher who went from Milwaukee sandlots to the Cincinnati Redlegs last season, tells this story about himself: He held the Braves hitless for five innings last year only to have Manager Birdie Tebbetts relieve him. What did Tebbetts tell him when he took him out with a no-hitter working? Hook says: "He patted me on the back and said, 'You're too young to pitch a no-hitter, an' sox'."

Printed Pattern

by Marian Martin

WEEK'S SEWING BUY
Skip ironing this summer — whip up several versions of this denim - wrap set in wash-and-wear denim, seersucker, Dacron-cotton. Easy-sew — our Printed Pattern is a beginner's best friend.
Printed Pattern 9212: Children's Sizes 4, 6, 8, 10. Size 6 sun-wrap takes 2 1/2 yards 35-inch; capelet 3/4 yard.
Printed directions on each pattern par. Easier, accurate.
Send thirty-five cents (coins) for this pattern — add 5 cents for each pattern for 1st-class mailing. Send to Marian Martin, care of Herald and News, Pattern Dept., 232 West 18th St., New York 11, N.Y. Print plainly name, address with zone, size and style number.

Men Comprise 'Booster Club'

By MARIE ARNOLD

A group of townsmen with an interest in athletics and athletes have organized themselves into a booster club for any "behind-the-scenes" help and encouragement which they can administer to Klamath teams. They meet about every other week and are made up of about 65 businessmen, doctors, fathers, fans and such.
On February 19 in the Klamath Union High School cafeteria this organization gave a spaghetti feed for the members of the basketball team, wrestlers and other athletes.
Each member of the booster club paid \$1.25 and brought the KU guests to the feed. The purpose was to raise \$75 for a pair of contact lens for a player and to show the boys a good time. The Molitores cooked the spaghetti members of the booster club served and washed dishes.

WHOLE SCHOOL ON TEAMS
INDUS, Minn. (AP)—There aren't any boy students in the rooting section when Indus High School plays hockey. All 31 boys in the school are on the team. The girls also have a team of their own and play the freshman squad once or twice a season.

"I WAS MENTALLY ILL..."

...but I was one of the many lucky ones—I got well! And now that I am back with my family, I can't help thinking that I owe my recovery to the wonderful advances made by science in dealing with mental illness. With modern treatment and care, 70% of all mental patients can improve or recover completely. Not only that, but early attention to mental and emotional troubles can keep people from becoming seriously ill. Understanding our

"Make Sure Your Hobby Is Safe!"

by Marion Gleason

A research assistant at the University of Rochester's school of medicine, Miss Gleason spent 10 years studying the causes of accidents. Many "harmless" products used in hobbies, she says, can affect your health.
