Democrat Leaders Drop Representative Powell

NEW YORK (AP) — Tammany Hall leaders have dropped Rep. Adam Clayton Powell Jr. (D-N.Y.) as a Democratic candidate for re-election, asserted for his support of President Eisenhower in 1956.

Powell, his political back to the wall, has said he will re-ignite with an independent organization to keep the Harlem congressional seat he has held since 1945.

Scout To Be Decorated

For saving the life of a drowning boy at Glaster Dam last June, young Patrick Olds of Alturas will receive a certificate of heroism next Sunday afternoon.

The presentation, made by the Boy Scout National Headquarters to boys who have exhibited heroism is life saving, will take place in the First Presbyterian Church during a Modoc Scout Council meet.

Pat, 15, son of Mr. and Mrs. Clinton Olds of Alturas, will get a certificate bearing the following citation:

"On the afternoon of June 17, 1957, some young people were swimming on the Glaster Dam on the Pit River at Alturas, California.

"Donny Yarbrough, 11, got into difficulty in deep water and called for help. Jimmy, his brother, tried to save him, but the two boys became entangled and were submerged below the surface.

"Pat Olds jumped in and swam out to where the two boys were struggling in the water. By means of the cross chest carry, Pat got Donny to shore and Jimmy swam in by himself."

Navy Marks Perry's Japan Sailing

SHIMODA, Japan (AP) — The U.S. carrier Hornet and the attack cargo ship Merrick steamed into Shimoda harbor today as modern counterparts of the "black ships" with which Commodore Matthew Perry opened Japan to the western world.

The two vessels are representing the Navy at the three-day festival marking the 105th anniversary of Perry's arrival in Japan. U.S. Ambassador Douglas MacArthur II will speak at ceremonies in Shimoda Saturday.

CLOSED HOME
 PORTLAND, Ore. (AP) — His work came close to home for Traffic Patrolman John Yaden.

Despite repeated warnings, Yaden said, his 14-year-old son was one of three boys he caught jaywalking. He gave tickets to all three.

Commerce Department Takes Big Budget Slash

WASHINGTON (AP) — The House Appropriations Committee today cut \$65,581,000 from the \$982,721,000 requested by the administration to finance the Commerce Department and related activities.

Subject to House action next week, the 7 per cent reduction left the agencies with \$917,140,000 for the fiscal year starting July 1. The amount is almost 200 million dollars more than they received during the present year.

Heavy boosts were recommended for the Census Bureau, the Civil Aeronautics Administration, the Public Roads Bureau, the Bureau of Standards and the Maritime Administration.

The Census Bureau was allotted \$22,250,000, including seven million to start preparing for the 1960 census.

For the Civil Aeronautics Administration, the committee earmarked \$421,850,000, a cut of \$16,750,000 from the amount requested but an increase of \$74,082,675 for operation and regulation. The committee said improved control of air traffic is needed as a result of recent plane collisions in flight.

For establishment of air navigation facilities, the committee recommended 158½ million. It suggested that Congress draft legislation to require the airlines to share part of the mounting cost of modern safety installations.

The Commerce Department's maritime programs were allotted \$260,204,000, including 98 million for construction of 17 merchant ships and 120 million for operating subsidy payments to ship lines. It directed that limited subsidies be paid to companies operating into or out of the Great Lakes in order to attract trade into the lakes area through the St. Lawrence Seaway scheduled to open next July.

The committee authorized the

use of \$2,350,000,000 from the federal-aid highway trust fund to pay commitments made under recent highway construction programs. This fund is financed by taxes on highway users.

To speed up Bureau of Standards research programs, the committee approved the entire request for 11½ million dollars. This is \$2,071,750 more than was appropriated for the present year.

The committee told the Weather Bureau to give more emphasis to the needs of farmers for adequate and specialized weather information. It gave the bureau \$39,275,000 of the \$40,275,000 it requested.

Other allotments:
 Airways Modernization Board, 30 million, including funds to set up a test center at the former naval air station in Atlantic City.
 Civil Aeronautics Board, \$46,750,000, including \$46,750,000 for subsidy payments to air carriers.

Donations Asked In Cancer Drive

Memorial contributions to the American Cancer Society may be made by mailing checks, made out to the society, to Mrs. Violet Koen, Route 1, Box 579, Klamath Falls. Contributions made through Mrs. Koen, commander of the Klamath County Chapter, are credited to this area.

Klamath County now stands second in the state of Oregon in the amount of money received from the United Fund. Multnomah County is first.

Memorial money, which totaled nearly \$70 last week, goes entirely for cancer research. A receipt is returned to the donor from Portland headquarters of the society, and a card of acknowledgement goes to the closest relative in the bereaved family. No mention is made of the amount contributed.

Something To Crow About!

But We're Not Boasting

WE'RE BROASTING

For the first time in the Klamath Basin we offer something new in Eatin' Chicken — "It's Broasted" — It's the world's finest.

Broasting is the newest and greatest advancement in cooking. It injects heat units instantaneously, sears the chicken, seals in all flavorful natural juices and cooks through to the bone in 6 minutes. No pre-cooking, no heavy breading or batter to soak up grease, just golden brown, tender, juicy, delicious chicken, done to the bone, and even the bone is done.

OUR GET ACQUAINTED OFFER

FULL ORDER	1/2	Broasted Chicken (4 Pieces) Served with Salad and Roll	1 ³⁵
