NEW!

Scripto INK CARTRIDGE Fountain Pen

LOADED quick and easy as a ball pen
WRITES with the flow and feel of a fountain pen!

If they like bold, clear, smooth fountain-pen writing with real ink—but hate the mess of ink bottles and inky fingers—the new Scripto Ink Cartridge Pen is made for them! Just flip in the cartridge as you'd load a ball point. No fuss—no muss. Bigger ink capacity—can't ever leak! Choose from fine or medium points.

Scripto SATELLITE[®] Ball Pen

LOADED with fabulous COLORESSENCE[®]
WRITES up to 2 years without a refill!

If they like the speed and long life of a ball pen, give them up to 2 years of it in a Scripto Satellite. COLORESSENCE, new Scripto writing fluid, concentrates twice as much color-intensity as ordinary ink. Giant transparent Tele-Gauge[®] Refill shows how much is left month by month. Can't clog, skip, blur or leak. Jewel-smooth Crystalloy ball writes effortlessly.

SO SMART TO GIVE!

The Scripto Satellite Pens are gift-boxed. The Scripto Ink Cartridge pens are mounted on attractive cards. Either one—the smartest gift for any member of the family.
