WHY YOU MAY NEED THESE SAFE HIGH-POTENCY CAPSULES

As your own doctor will tell you, scientists have discovered that not only is a daily minimum of vitamins and minerals, in one form or another, absolutely indispensable for proper health . . . but some people actually need *more* than the average daily requirements established by the National Research Council. If you tire easily . . . if you work under pressure, or if you're over 40 or subject to the stress of travel, worry and other strains . . . then you may be one of the people who needs this extra supply of vitamins. In that case, VITASAFAE C.F. CAPSULES may be "just what the doctor ordered"—because they contain the *most frequently recommended food supplement formula for people in this category!* You can use these Capsules confidently because U.S. Government regulations require that you get exactly what the label states—*pure ingredients* whose beneficial effects have been proven time and time again!
