

Yanks Whip Sox; Cards In Fourth

Red Sox, A's Grab Triumphs

By THE ASSOCIATED PRESS
One can't help but recall the highly optimistic words of Chicago White Sox Manager Al Lopez of two months ago.

"We're going to win the pennant," he said then, "because the Yankees are not going to beat us nine of 11 in our park as they did last year. A majority of those defeats came in the late innings after we had taken the lead."

"We had that in mind when we traded some of our power for more pitching. I feel the only club we have to beat to take it all is the Yankees and I'm sure we have the pitching to do it."

The White Sox met the Yankees for the first time this season Monday night in Chicago. It was the same old story. The Yankees won 5-1. They hit three home runs, by Mickey Mantle, Hank Bauer and Marv Throneberry. Chicago got only five hits off Johnny Kucks, avoiding a shutout in the ninth inning. The defeat shoved the Sox deeper into the American League basement, 10 1/2 games behind the runaway Yankees.

Kansas City retained second place, 6 1/2 games off the pace vanquishing Washington 7-3. Boston swept past Cleveland into fourth place, thrashing the Indians 6-1. In the only daylight game, third place Baltimore evened their record at 13-13, defeating Detroit 6-4.

In the National League, the San Francisco Giants opened up a length and a half lead over Milwaukee, defeating Cincinnati 4-2 while Los Angeles scored three times in the 11th to beat the Braves 6-3. St. Louis, making 11 in their last 13 games, moved into fourth place with a 5-0 triumph over Philadelphia. Pittsburgh snapped a five-game losing streak, drubbing the Chicago Cubs 12-3.

Yanks 5, ChiSox 1

The Yankees rapped Dick Donovan and Bill Fischer for 10 hits to register their seventh straight victory; their 11th in the last 15 games and their 20th in 25 games this season.

San Jose shaded Modesto, 1-0, and Stockton buried Salinas, 14-4, in other games.

At San Jose, Jim Gleason threw a three-hitter and struck out eight for the Pirates' win over Modesto. Coast Conference Meet Ends With Friendly Note

PORTLAND, Ore. — With an air of amiable togetherness, the Pacific Coast Conference wound up its annual spring meeting Tuesday afternoon two days early, leaving unsettled the important question of what schools might be eligible for the 1960 Rose Bowl game.

Friendship keyed the meeting, which was to have lasted through Thursday. Nothing was brought up which might have narrowed the pleasant program.

The faculty athletic representatives—those who run the show—who would have voted 5-4 last year on whether to vote standing or sitting were bosom companions.

The athletic directors were cloaked in a brotherly sobriety. The football coaches wore half-size smiles; the basketball coaches as they contemplated the slimming down of the conference due in 1959. That's when California, UCLA and Southern California have said they will pack their athletic bags and depart.

It was learned but not reported officially by the conference that the coaches had gone to the faculty men with statements of solidarity. These said, in effect, that no coach was mad at any other coach and hoped to perpetuate the feeling.

Because of the air of harmony the conference spokesman, Prof. Emmett Moore of Washington State, was asked if old wounds might be forgotten and forgiven before the 1959 deadline and he replied:

"I don't believe you can assume that."

When the three southern schools break away they will leave the Rose Bowl game and its quarter-million-dollar payoff to the six survivors. The conference holds a contract with the Tournament of Roses to provide the western representatives in the Bowl for 1959 and 1960.

Before they called it quits until the regular winter meeting Dec. 7-11 in Pasadena, the faculty men adopted a resolution praising Victor O. Schmidt. He has been conference commissioner for 15 years and is quitting in July.

The conference altered the rules slightly on spring football practice and changed the method of cutting up television income. Formerly limited to 20 days of practice in a 30-day period, the football coaches now may spread

Bill Mihalo of the United States, however, can offset this gain if his mark of one hour, 25 minutes, 1.0 seconds in the 20,000 meter walk becomes official. This topped the record of 1:27:38.6 set earlier by Grigory Panichkin of Russia.

Other records set: Herb Elliott of Australia waits official word on his 3:57.8 mile at Los Angeles, May 16. This beat countryman John Landy's accepted mark by two-tenths of a second.

Russia broke Sweden's 10,000 meter walk record when Panichkin was clocked in 42:18.3.

Elias Gilbert of Winston-Salem, N.C. Teachers broke a U.S.-held mark by running the 220 yard hurdles in 22.1 seconds.

A two-mile relay team from the University of California broke an American-held standard by covering the distance in 7:20.9.

U.S. Leads World's Track, Field Marks

NEW YORK (UPI)—A flurry of seven world track and field marks recorded in the past 12 days has failed to disturb the United States' leadership in the sport, a United Press survey revealed today.

A total of 27 world cinder path records are presently held by American athletes, while Russia, the nearest contender, carries 17. Despite the fact these two countries were involved in six of the seven new records, the U.S. will still lead, 27-18, when and if the new records are officially accepted.

Vasily Kuznetsov of Russia can raise his country's trailing total if his new decathlon record is accepted. Russia's new "world's greatest athlete" scored 8,013 points in a meet at Krasnodar Sunday, according to Soviet reports. This eclipsed the record Rafer Johnson set at Kingbury, Calif., in 1956.

Other records set: Herb Elliott of Australia waits official word on his 3:57.8 mile at Los Angeles, May 16. This beat countryman John Landy's accepted mark by two-tenths of a second.

After almost being left at the starting gate, the St. Louis Cardinals have finally pulled up into fourth place in the National League race.

It took 11 victories in their last 13 games to do it. Lindy McDaniel made sure of it by hurling a seven-hitter against Philadelphia as the Cardinals triumphed 5-0. It was the \$50,000 bonus right-hander's first shutout of the year and his first since he blanked the same team by the same score on May 16, 1957.

The Cardinals' sizzling pace is being matched, practically victory for victory, by the San Francisco Giants. The West Coast sensations also made it 11 victories in their last 13 outings Monday night with a 4-2 decision in Cincinnati. Young Mike McCormick, the \$60,000 bonus left-hander, posted his fourth victory without a defeat with a five-hitter.

The Giants' triumph, coupled with Los Angeles' 6-3 success in Milwaukee in 11 innings, boosted them into first place by 24 percentage points over the Braves. Pittsburgh blasted out of a five-game losing streak with a 12-3 walloping of Chicago.

Cards 5, Phils 0

The Cards' surge can be attributed to their sudden ferocity against southpaws, who used to give them a great deal of concern. They have faced seven starting left-handers during their streak, and have beaten six, kayoing the seventh.

Curt Simmons, their latest victim, scattered hits.

Cardinals Trade Al Dark To Cubs

PHILADELPHIA (UPI) — Fred Hutchinson said today the Cardinals "hated like the devil" to part with Alvin Dark, but the veteran 33-year-old infielder was delighted with the deal because it will give him a chance to play regularly again with the Cubs.

"The shock wasn't nearly as great as when I was traded from the Giants two years ago," said Dark, who was dealt to the Cubs Tuesday for right-handed pitcher Jim Brown.

"I had a feeling for several days that I'd be traded and now that the deal has been made I feel great about it, because I know I'll be able to play regularly for the Cubs."

So determined was Dark to play for the Cubs, he flew to Pittsburgh to join them immediately after the trade was announced. Manager Bob Scheffing of the Cubs inserted him in the starting lineup at third base in Tuesday night's game against the Pirates.

Dark, who brought a .297 average to Chicago, had been reduced to a bench warmer with the Cards. Young Dick Schofield took over his old shortstop job and Ken Boyer was solidly entrenched again at third.

"We needed pitching," Hutchinson said "and with Schofield going all right, we figured we could give up Dark. We could use Brown and the Cubs could use Dark. That's all there was to it."

The 28-year-old Brown, a six-foot, four-inch 215-pounder, is one of the hardest throwers in the National League.

So far this year, he has won three games and lost four. Last year, he had a 5-5 record with 73 strikeouts, 50 walks and a 3.36 earned run average.

"He has great equipment, a fine fast ball and a good curve," Hutchinson said. "On top of that, he is just starting to come along now. The way he throws, he's bound to help our pitching staff."

"Defensively, Schofield is doing fine," Hutchinson said. "He's got to learn to handle the bat a little better but I think he will."

Schofield, a \$40,000 former bonus player, is batting only .232 but also feels he can improve that figure considerably.

"I'm tickled to death over the opportunity the Cardinals are giving me now," he declared after the news of Dark's trade. "I know they won't be sorry."
