

# Traveler To Note 15,000th Radio Broadcast By June 3

NEW YORK (AP) — A hardy voyager has just stumbled out of the archival jungle of the Lowell Thomas office with word that by June 3 the CBS radio reporter will have made his 15,000th broadcast.

While programs come and go, die and are revived, switch times and change their formats, Lowell Thomas and the News has had the longest continuous run of any news program in radio and is still going strong. Its position in the broadcast schedule, never has varied since June 1932.

It's safe to say that Thomas has been heard more frequently by more Americans in the last three decades than any other man. He still makes two broadcasts a night, his second being beamed to the West Coast. Besides his role as radio he has been widely heard as a lecturer and as narrator for Cinemascope, dozens of short films and for 17 years as the voice of Fox Movietone news.

It's equally safe to say that he has broadcast from more unusual and obscure places than any commentator: from a plane circling the Empire State Building, in the first broadcast from a helicopter, a bobbed, a—you name it. In the course of these broadcasts Thomas estimates he has traveled five million miles by every conceivable means of transportation. Thomas was well established as a writer and lecturer when he first faced a microphone in 1930 as the replacement of Floyd Gibbons, last but not least of the "It was there, myself, in person" type of foreign correspondent.

News broadcasting in 1950 was largely unexplored territory. Gibbons had been the only commentator on the air and there were widely divergent notions as to just how it should be done.

Thomas's first broadcast followed a nine-hour "how it should be done" session in which the participants included such persons as William S. Paley, now chairman of the board of CBS, a then obscure manuscript reader named Ogden Nash, and a certain Dale Carnegie. Thomas then went on the air and broadcast in his own way—the way he's been doing it ever since from just about everywhere, including Lhasa, the forbidden city of Tibet.

Asked to list of the most memorable broadcasts during his years in radio, he names none of his own. Rather, he cites these: Churchill's famous "Blood, Sweat and Tears" speech; President Roosevelt's Declaration of War message to Congress; MacArthur's "I Shall Return" speech; Ed Murrow's "Orchestrated Hell" broadcast on the bombing of Berlin; Charles Collingwood's description of the Nazi surrender; President Eisenhower's first appearance in Chicago; Alben Barkley's last speech before his death; Dr. Jonas Salk's radio announcement of his polio vaccine; Doug Edwards' description of the sinking of the Andrea Doria; Moscow radio's announcement of the first earth satellite.

MAN'S WORLD  
It was a man's world at Klamath Valley Hospital last Friday, Saturday and Sunday. Attendants reported nine husky boys were born compared to one lone and lonesome little girl.

# Siskiyou Gets Motor Funds

DORRIS — Siskiyou County's share of an advance apportionment of motor vehicle license fee funds for the first six months of 1953 was \$105,880, according to Robert Kirkwood, state controller.

The money, part of \$72,942,594, distributed to 361 cities and 58 counties in California, represents an advance of 75 per cent of the apportioned vehicle license fees collected by the state during the six months ending May 31, 1953.

The payments, formerly made in June, were moved up to April under a state law passed in 1957, to relieve cities and counties of cash shortages in the latter part of the fiscal year.

Siskiyou County last year received \$146,826.27 as its share of motor vehicle license funds, of which \$115,718.91 was set aside for improvement of county roads and \$31,107.36 for the general county fund.

Among incorporated cities in Siskiyou County, Yreka received the largest six-month apportionment—\$116,021 as compared to \$22,445.85 for the entire year of 1952-1957. Yreka city officials have estimated that vehicle license receipts will top \$25,000 this year.

Apportionments for the first six months this year in other Siskiyou cities were: Dorris \$3,268; Dunscomb \$14,406; Etna \$2,817; Fort Jones, \$1,923; Montague, \$2,631; Mount Shasta, \$6,994; Tulelake, \$3,766.
