STOCKS

WALL STREET NEW YORK (AP) — Steels and rails paced a temporary stock market advance Monday but late profit taking clipped the better gains, leaving the list irregular at the close.

Key stocks rose from fractions to about a point. There was a wide assortment of losers in about the same range.

The Associated Press average of 60 stocks was unchanged at 164.60. Volume was 2,500 shares compared with 2,570,000 on Friday.

Klamath Man Dies Unexpectedly

SPOKANE (AP) — William E. Clute, 38, who came here from his home at Klamath Falls, Ore., three days ago to attend his mother's funeral, collapsed and died at her home here Monday.

Cause of death was not immediately known. His mother, Mrs. Laurina Clute, 64, died last week and was buried Friday.

Young Clute's wife, Betty Lou, 26, and his father were both reported in a state of shock Monday. He is survived by his wife and two daughters.

Mountain Climb Ends In Injury

LONGMONT, Colo. (AP) — A mountain climber, his companion desperately gripping his ankles, swung suspended headdown over a 150-foot cliff yesterday. Then he dropped—and lived.

Albert O. Haulcomb, 19, Depew, Okla., fell while walking along a mountain trail with six other climbers.

As Haulcomb tumbled, Bobby W. Scott, 17, San Diego, Calif., dived and caught his ankles, but an instant later lost his grip. Haulcomb fell and rolled to the bottom.

He suffered head injuries, and possible fractures of the leg and arm.

Scott was also hospitalized for shock. Both are airman students at Lowry Air Force Base in Denver.

Board Meeting Maps Plans For Publicizing Budgets

Several means of publicizing the proposed Klamath Falls city school budgets were discussed Monday evening by members of the school board.

It was pointed out that there is still considerable opposition to the once defeated budgets, and that explaining all portions of the budgets to interested persons may do much toward minimizing the opposition.

Bob Frederickson, and Dr. Don Noel, a member of the high school budget committee, presented a plan whereby the budgets could be explained in detail on radio and television programs and in the newspaper columns. The presentations would be of a question-answer forum type.

Each of the boards named committees to study the plan for publicizing and fully explaining the budget materials.

Following the May 5 defeat of both the city school budgets, the boards went into emergency sessions and prepared reduced budgets. The modified elementary school budget is scheduled to be voted on June 27, and the high school budget is slated for the ballot on July 7. The public hearing on the elementary budget will be at 7 p.m., Monday, June 22, in the cafeteria of the new south wing at the high school. The public hearing on the high school budget will be at a later date.

During the special meetings the District 1 board cut \$26,500 out of the \$1,215,618 budget which was defeated, and the high school board sliced about \$31,000 from the originally requested operational figure of \$899,261.

Appearing Monday evening to offer support for the modified budgets were representatives of the local Parent-Teacher groups and representatives of the Classroom Teachers' Association.

In their Monday business Superintendent Arnold Galapp advised the boards that the state will this year and hereafter require school bus drivers to satisfactorily pass driving examinations which will include written, operational and physical examinations.

Copies of the directive are being furnished all bus drivers within the city systems.

In other matters the boards agreed to a program whereby the city recreation department will make use of some of the school facilities and play areas during the summer months.

The Friesen-Welman firm was awarded the bid for installing a pipeline from "A" Canal to the Ponderosa School. The bid amount was approximately \$927.

When I heard the broadcast I said to myself, 'If I can hear my own playing, I can also hear my heartbeat,' Briskier said.

These recordings, he explained, could come in handy when patients are a continent away and are taken ill. Also, instant consultation would be possible with specialists anywhere in the world.

Working with RCA technicians, Briskier developed methods of broadcasting tape recordings of heartbeats. He also proposed transmitting visual tracings of electrocardiograms together with clinical data.

Yesterday the system was tested. RCA Communications Inc., to have one of his piano tape recordings of Bach music broadcast by short-wave radio from Paris to this country.

At the same time, Briskier had visual records transmitted by the radiophoto method.

Four persons, whose admission to Klamath Valley Hospital as the result of injuries sustained in automobile accidents earlier reported, were out of danger and "doing well," according to hospital authorities Tuesday morning.

Two of the patients are William Sessmes, 35, Tulelake, and Raymond Stapleton, 21, Council Bluffs, Iowa. They were injured Sunday morning when the car in which they were riding, driven by Stapleton, went off Modoc County Road 111 and rolled over. The accident occurred less than half a mile south of the Oregon border.

The other two patients are Dean Anderson, 29, and G. P. Wu, 62, both of Bonanza, whose cars collided head-on on the Bonanza Road Monday morning.

Foresters Hold Fire School The annual three-day fire school for employees of the Klamath Forest Protective Association began Tuesday at KFPA headquarters on the Weed Highway.

The course is particularly designed for the temporary summer employees of the association, who number about 30, Ted Tellin, KFPA dispatcher, reports. However, all employees attend the school, which brings the enrollment to about 35.

Three instructors from the Salem headquarters of the Oregon State Board of Forestry conduct the school, which covers not only fire control, but also such subjects as the use of the compass and map reading.

Obituary IDA BELL OTTO, 88, a native of Troy, Iowa, and a resident of Oceanside, California died there May 26. She is survived by two sons, Bernard Lewin, Medford, Claude Lewin, Oceanside; a daughter, Mrs. Art Fitzwater, Klamath Falls; two sisters, Mrs. Jennie Lang, Grants, and Mrs. Addie Jivard of Dorris, Pa. Funeral services will be held in O'Hair's Memorial Chapel Thursday, May 29, at 10 a.m. standard time. Interment will be made in the Picard Cemetery, Dorris.

SMALL CAR FIRE The city fire department put out a small car fire at Ninth Street and Klamath Avenue Monday afternoon. There was small damage to the wiring in the front end of the car.

Oaklander Feted On 107th BD OAKLAND, Calif. (AP)—Hiram Franklin Deaner sat back contentedly after dinner last night and lit the 32-496th cigar of his life, the first in a birthday package of 107—one for each of Deaner's years.

Deaner, a retired piano tuner, figures he's been smoking a cigar a day since he was 18.

"I'm a little hard of hearing," he said, "and I wear glasses. But there's nothing wrong with my memory."

TV Wife Weds SF Producer HOLLYWOOD (UPI) — Comedian Danny Thomas' television wife, actress Marjorie Lord, was on her way to a European honeymoon today with her real life husband, producer Randolph Hale of San Francisco.

The couple was wed Monday by the Rev. Merle E. Fish, pastor of North Hollywood's Christian Church, in ceremonies at the home of TV producer John Guedel.

Miss Lord and Hale met three years ago in San Francisco when she appeared in the stage comedy "Anniversary Waltz."

ROBERT SCHROEDER

Err; But Lad Graduates KU

Robert Timothy Schroeder is graduating tonight with 325 other Klamath Union High School seniors in spite of an omission. Bob's picture was by accident left out of El Rodeo, KUHS yearbook, but he will be right there in cap and gown to receive that long-worked-for diploma.

He is the son of Mr. and Mrs. Rudolph Schroeder, 1424 California Avenue. For four years he has been a member of the Boys' Alliance at KU and of Trades and Industries during his senior year. He plans to go to Oregon Technical Institute this fall to study mechanics.

Recently, he arranged with RCA Communications, Inc., to have one of his piano tape recordings of Bach music broadcast by short-wave radio from Paris to this country.

At the same time, Briskier had visual records transmitted by the radiophoto method.

Council Holds Short Meet

Routine matters consumed the time of one of the shortest city council meetings in recent months Monday night at city hall.

The question of repair and replacement of a wooden stairway along West Main between Carroll and Rogers streets was about the only controversial item on the agenda.

Mrs. Hazel Drinkwater, 304 West Main, appeared to present a petition bearing about 38 names, requesting that the wooden stair be retained at the present site.

In summing up the case for retention of the wooden stairs, Mrs. Drinkwater said that in the winter a concrete walk would be impossible it would be so slick.

Councilman Ladd Hoy pointed out that several years ago the lower portion of the sidewalk and step area was repaired at the request of Riverside School inasmuch as part of it bordered on Maple Park, owned by the city.

The question of who's responsibility the steps were deferred until the next council meeting, with the council asked to make an on-the-spot investigation in the interim.

The city attorney was also instructed to prepare an ordinance directing Robert Kent, for the Earl Kent estate, to install a sidewalk on the southwesterly side of Wall Street from Esplanade to Broadway.

It was reported that the request had been initiated about six months ago, but to date, nothing had been done.

Bob Bonney, city park and recreation director, reported that the recent windstorm had blown down several sections of fence at Gem Stadium, and that the damage was not covered by insurance.

It was also proposed to vacate a portion of the alleyway behind the swimming pool from Mortimer to the far side of the lot where the new medical clinic is to be built.

Bolt Strikes Portland Bus PORTLAND, Ore. (AP) — A bolt of lightning struck a crowded transit bus at a busy Portland intersection yesterday evening, setting it afire.

All the 50 passengers — many with singed eyebrows and hair — escaped without serious injury. Thirteen were hospitalized overnight for treatment of smoke inhalation and noncritical burns.

Witnesses said the lightning, which struck at the height of a sudden storm, skipped along the trolley wire before it shot into the electric trolley bus.

Inside the bus, the bolt became a huge ball of fire which flashed over the passengers' heads and set the rear portion of the vehicle ablaze.

"The bus is on fire, open the doors," a passenger shouted. Bus driver Walter Nabors pressed the electric door switch, which still was operating, and the passengers — some of them hysterical — poured out into the street. A number of them lost shoes, purses, umbrellas and other possessions in the scramble to get out.

The bus burned.

Man, Two Youngsters Drown In Accident PINEVILLE, Ky. (AP) — A man and two youngsters drowned yesterday when a small motorboat went to pieces in the Cumberland River.

Another boy, Terry Adams, 8, was pulled to safety by a passerby on the river bank after he managed to cling to a piece of wood.

Drowned were the boy's father Wayne Adams, 37, a brother, Ronnie, 11, and Sawyer Hammond, 14.

The other two patients are Dean Anderson, 29, and G. P. Wu, 62, both of Bonanza, whose cars collided head-on on the Bonanza Road Monday morning.
