Farewell Luncheon Honors Mrs. H. R. Stokes On May 21

Mrs. H. R. Stokes was honored with a no-host farewell luncheon on Wednesday, May 21, in the Willard Hotel Ponderosa Room by some of the many friends she has made during the almost three years residence in Klamath Falls.

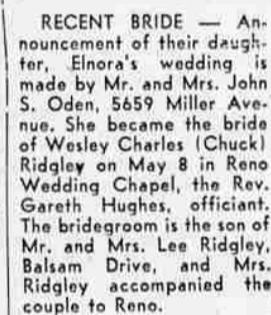

Her husband is resident engineer with Johns-Manville and he and his family leave Klamath Falls to make their home in Manville, New Jersey. Mrs. Gertrude Wright and Mrs. Marguerite Barke made the party arrangements and successfully kept them a secret from Mrs. Stokes. She was completely surprised when she entered the Ponderosa Room and was greeted enthusiastically by 60 friends. Their names are all on the "autograph-bound" presented to her with an overnight case. Maureen Stokes was active in school, church, club and other community work and held offices in both Sojourners and Newcomers clubs. She, who came to a strange town from the across the continent, realized the value of a welcome-to-newcomers club and she contributed much time and effort to extending a warm greeting to other new residents.

Tired eyes at the office may be from a TV hangover. In watching television, a person should not concentrate too intensely on the screen for long periods. Glance away occasionally and rest the eyes. Also, sitting too close or too far away will tend to tire the eyes. A comfortable distance ranges from six to 12 feet.

"Spend The Day" Party At Reames

Reames Golf and Country Club, at the club, TU 4-6531, by Friday noon, June 6. Dress will be very informal—cotton dresses for women and slacks and sport shirts for men. Members are invited to bring another couple (or more) to the club for golf or a swim in the afternoon; a social supper from 7 to 8 p.m.; a buffet supper from 8 to 10—and music for dancing will be played from 9 to 1 a.m. Supper will be \$2.50 per person and reservations should be made.

Treat yourself to a cotton coat printed all over with red roses for summer wear. Nice over all of your slim sheath dresses. Where you spend your summer vacation determines the kind of clothes you pack. So inquire in advance about what's worn. It will save you the embarrassment of being without evening gown or casual clothes when they're needed. Time for chalky white jewelry. This year you'll find it mounted in gold-colored metal. There's surface texture, too, in the new shorter hibs.
