### Pillow Bag Ideal For Tot's Clothes

A good way to teach a child neatness is to provide easy storage places for such things as pajamas and slippers.

A gay pajama bag will add a note of color to the junior bedroom and double as a pillow in the daytime. Local sewing center experts suggest you make your own covering for a round foam rubber or kapok-filled pillow, with room for pajama storage.

To make the pillow-bag, first measure your cushion. Cut two round pieces for top and bottom and a long strip for the boxing around the side. The drawstring section is the same length as the boxing strip, and seven inches wide. Remember to cut all pieces to allow for a half-inch seam allowance.
