### Scholarship For KU Grad

Paul Munson, 1957 graduate of KUHS, was recently awarded the Dennis Farrell Memorial Pre-Medicine Scholarship at Central Washington College at Ellensburg, Washington. The \$50 award is given to the outstanding freshman pre-med student by Mrs. S. N. Farrell in memory of her son who died of cancer while he was a pre-med student.

It came as a complete surprise to Paul as he had not applied for any scholarship. He is a member of AFROTC band and next year will serve as group commander of a voluntary organization, Arnold Air Society, AFROTC.

He was also elected secretary of his dormitory, Wilson Hall, for the coming year. Paul is the son of Mr. and Mrs. Sverre Munson, 1345 Sargent Street.

### Lumbermen File Civil Suit

A civil suit asking \$120,061.01 has been filed in circuit court against two out-of-state corporations, on behalf of 171 former employees of the Klamath Plywood Mills plant in Klamath Falls, which closed in March, 1957.

Plywood, Incorporated, and Atlas Plywood, Incorporated, which are respectively incorporated under the laws of Michigan and Massachusetts, were named defendants in a suit brought by Michael E. Salo, Bend, secretary of the Lumber and Sawmill Workers Central Oregon District Council. Salo declares that he has been assigned the claims of the former employees of the mills for vacation pay allegedly due them, and damages claimed as a result of non-payment.

The complaint, prepared by the plaintiff's attorneys, Bailey, Lezak and Swink, of Portland, states that the Klamath plant was wholly owned by the two companies. It alleges that the defendants were bound by a contract with Lumber and Sawmill Workers Local Union 2922, calling for paid vacations, but that no vacation pay was actually paid the 171 workers upon their discharge, although the defendants were financially able to make such payment, and due and proper demand was made.

The suit asks \$22,360.01 actual vacation pay alleged due. It further asks the equivalent of one month's pay for each worker, or a total of \$91,001, as a penalty for non-payment, and \$7,500 attorney's fees.

### Testimony Ends In Truck Case

The giving of testimony was concluded in circuit court Thursday in the case of Pioneer Truck Rental, Inc., versus the Oregon State Police and State Public Utilities Commission.

Next step is preparation of a transcript of testimony which will be furnished both sides, then submission of briefs by attorneys summarizing their cases to Judge David R. Vandenberg, who will then rule later.

The truck firm seeks an injunction against the state police restraining it from stopping trucks and arresting drivers for not having PUC plates on the vehicles. Pioneer claims it is entitled to the plates since it has paid operating permit fees.

The utilities commission, on the other hand, contends the rental agency is not entitled to plates, but that they should be paid for by those who lease the trucks for business reasons.

Some 35 tickets have been issued to the firm by police. Outcome of these tags, which would carry fines from \$5 to \$30, will be held up pending outcome of the case.

### This Is Tale Of Man Who Returns From Dead To Wed

FLORENCE, Italy (AP)—This is the story of a man who returned from the dead and a nun who obtained the Pope's permission to marry him.

It started 20 years ago in the central Italian hill town of Falciano, near Arezzo, south of Florence.

### Masons To Hold Portland Rites

Four local men will attend the 100th Annual Communication of the Grand Lodge of Ancient Free and Accepted Masons of Oregon June 11-13 in Portland, it was announced today.

They are Paul Kincaid, Sanford Selby and Al Schriber, who are all members of the local lodge, and Bill Milne, who is grand sword bearer of the statewide Grand Lodge organization.

The three-day confab will be held in Portland's Shrine Auditorium where over 400 are expected to gather. Each of the 192 constituent lodges of the state is entitled to send three representatives.

Presiding will be Grand Master the Rev. Clarence A. Kopp, LaGrande. Distinguished freemasons from other states will be guests. Action is expected on numerous proposed amendments to the Masonic Code. Officers will be elected and installed.

Special entertainment, including scenic trips and luncheons, has been arranged for ladies accompanying Grand Lodge members.

ence. Alba Guidotti, a pretty girl of 15, and Rinaldo Matesini, 16, became engaged.

A year later, in 1939, war came. Rinaldo was called to arms. Before he could wed Alba, he was sent off to Greece.

Word came in a few months that Rinaldo was dead. Alba, grief-stricken, entered a nearby Roman Catholic convent and took the vows of a cloistered Benedictine nun.

Rinaldo, however, was not dead. Wounded, he was shuttled from hospital to hospital. Not until 1946 did he return to the Arezzo hill country to learn Alba had entered a convent.

Eventually he arranged to meet her in the presence of the mother superior of the convent. Alba decided to ask to be released from her vows.

Ten years later, last November, came the word that Pope Pius XII had granted her the release. It was a long time to wait, but the church considers such dispensation a grave matter requiring the fullest study.

A month ago Alba and Rinaldo were married in the Falciano parish church. Early this week their story became known to Italian newspapers, and today church authorities at Falciano confirmed that the wedding has the blessing of the Holy See.
