

THIS YEAR — the quartet hosting the Fremont Junior High School graduation class party wore crew cuts instead of dainty floral crowns, as did the four girl hostesses last year. Floral crowns are definitely not for the young stalwarts pictured above, from the left, Doug Puckett, Chris Carter, Mike Gallagher and John Cole. Some 130 of their classmates were guests at the year-end of their last-year-at-Fremont dancing party in the Willard Hotel Pine Grove Room, May 29, from 8 to 11 p.m. Punch and cookies were served throughout the evening from a refreshment table centered with a mortar board and diploma tree. The graduation theme was also used for the mortar board cut out invitations. —Photo by Kettler

THREE "GRADS" from Fremont Junior High School have a little social chat at the last social event of their last year at Fremont. From the left, Susan Ryan, Margaret McDonald and Jay Clark. Chaperons for the evening were parents of the hosts, Mr. and Mrs. Terry Cole (John); Mr. and Mrs. Bob Puckett (Doug); Mr. and Mrs. Dick Gallagher (Mike); and Mr. and Mrs. E. W. Carter (Chris). One of the highlights of the party was "guest-request" dance music—and another—that Mr. and Mrs. Carter were celebrating their 21st wedding anniversary and a piece was played in their honor. —Photo by Kettler

MANZANITA CHAPTER 172

At the regular meeting of Manzanita Chapter 172 OES on May 28, Gladys Chubb and Andy Anderson were elected worthy ma-

trons and worthy patron for the coming year. Others elected at the same session were Nina Hall, associate matron; William Stienen, associate patron; Lorene McCollum, conductress; Lois Murphy, associate conductress; Arlene Dixon, secretary; and Esther Hodges, treasurer. Appointive officers, to be chosen by the worthy matron-elect, will be announced at a later date. Open installation is scheduled for Sunday, June 29 at 2 p.m. in the Scottish Rite Temple.

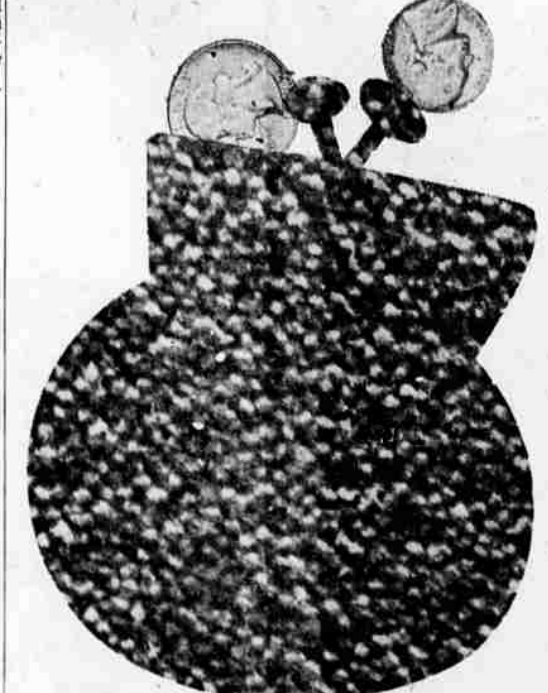

MRS. FRED TEDRICK, seated center on the sofa with her daughter, Georgia, was honored at an informal morning coffee and miscellaneous personal shower by Mrs. William Taylor, far left, and Mrs. William Keene, right. The coffee-shower was a farewell party for Mrs. Tedrick, who leaves Klamath Falls with her husband and their other daughters, Antonia and Patti, for Plainview, Texas, where Tedrick will attend Wayland College. The picture was taken at the Taylor residence, 5122 Homedale, where friends were invited for the 10 a.m. to 12 noon hours on Tuesday, May 27. The Tedrick home in Klamath Falls was at 339 Alameda, and they leave neighbors and a host of other friends, many of them fellow members of First Baptist Church. Tedrick has been operating the Pollyanna Bakery and also serving as temporary pastor of the Lakeview Baptist Church. The move to Texas and enrollment at Wayland stems from Tedrick's wish to continue his theological studies. —Photo by Otto Ellis

Take all precautions when storing woollens during summer months. One of the most important is to store clean garments because food stains and dirt attract moths.

BLOWING ON WET NAIL POLISH is a waste of wind. The quickest way to set nail polish is to run cold water over your fingernails after applying it. —Ferebee Studio
