Spencer took top spot among adult riders. A total of 153 youngsters, from eight to 18 years, participated in most of the events in last Sunday's rodeo which followed the big parade.

Results of the contests follow: Team roping, DeWayne (Pee-wee) Spencer and Darryl Severns, Montague, first; Butch Sawyer, Yreka and Pat McAuliffe, Fort Klamath, second.

Loose rope calf riding (8 to 11 years), Robert Barlow, first; (12 to 14 years), Jimmy Liskey, Klamath Falls, first. There were 60 entries in this event and each received a belt buckle.

Tie-down calf roping, Ronald Watson, Shafter, first; Carl Bontrager, Yreka, second; Jimmy Manton, Weed, third; Pat McAuliffe, Fort Klamath, fourth.

Bull riding, Butch Sawyer, first; Doug Chamberlain, Medford, second; Red Morris, Montague, third; Jim McAuliffe, Fort Klamath, fourth.

School Facts

Editor's Note: This is the last in an eight part series of informative articles dealing with the Klamath Falls city schools, their budgets, and proposed budgets. The articles have been under sponsorship of the Classroom Teachers' Association, and persons having additional questions may contact Marilou O'Connor, 133 Grant Street.

By MARILOU O'CONNOR
If the budgets do not pass, is it not possible for the schools to operate on last year's budget?

No. The law requires that if the operating budget exceeds the tax base plus the six per cent limitation, the budget must be approved at a special election. The budgets of both school districts in Klamath Falls do exceed this, therefore they must be approved before they can be used.

Can the schools hire teachers before a budget is passed? No. No teachers' contracts have been signed for either district, and none may be legally signed until the budgets are approved. Can't the districts issue warrants and continue to operate even though the budgets do not pass?

AIDE
COPENHAGEN (AP) — Count Kield G. Knuthwintfeldt will succeed Henrik Kaufmann as Denmark's ambassador in Washington next September. Kaufmann is retiring Sept. 1 at the age of 70.

No. A warrant is a form of promissory note, and cannot be issued until a budget has been approved.

Would the basic school support money that the districts now receive be affected if the budgets do not pass? Yes. Basic school support money is granted only to standard schools. Our schools would be unable to meet the requirements for a standard operation without the approval of a budget, so we would lose the apportionment.

If the budgets do not pass this time, when would they again be voted upon? The next special school election would be held around the middle of September. It requires approximately 60 days for the necessary clerical work on the budget, and for the publication required by law.

How do the revised budgets compare with last year's budgets? The budget for School District No. 1 is up \$65,744; however, the proposed tax levy is up only \$41,326. The budget for Klamath Union High School is up \$50,168; but the proposed levy is down \$722.

In addition, there is the tax offset which is made by the assessor from Basic School Funds. For District No. 1 this will amount to about \$30,000; for the high school, \$95,000.

Who may vote on the high school budget and tax levy?

Any person who has resided in the district for six months immediately prior to the election, and who was registered 30 days prior to the election, as evidenced by precinct voter lists supplied by the county clerk.

When are the special school elections? The elementary school election is June 27 at Fremont School on High Street. The high school election is July 7 in the high school cafeteria. Hours on both elections are from 2 to 8 p.m.

What is the meaning of the two items on the ballot? Since the high school has no tax base, and the elementary schools have only \$75,000, it is necessary to get voter approval on the tax levy each year before the boards of directors can make any levy at all in the high school, and any levy over \$75,000 in the elementary district.

Therefore, one of the items on the ballot is on the tax levy. The other item is on the budget. It is easy to see that a split vote is self-canceling. A vote of yes on the

levy must be accompanied by a vote of yes on the budget in order for either vote to have meaning, and vice versa.

Where may copies of the budgets be secured? The superintendent's office, Room 205, Klamath Union High School building, has available copies of the budgets of both districts. In addition, each has been published in the Herald and News.
