

OVER THE GARDEN GATE

MT. LAKE GARDEN CLUB

By Mrs. Noah Nyhart
The Mt. Lake Garden Club Flower Show, held at the Henley Grange Hall on June 7, proved quite a success despite the continued rains and the heavy hail storm that took its toll of damage to the flowers as it passed through the Henley District the evening before the show.

Approximately 100 spectators viewed the show and enjoyed the many attractive flower arrangements and noted the newer varieties of flowers shown.

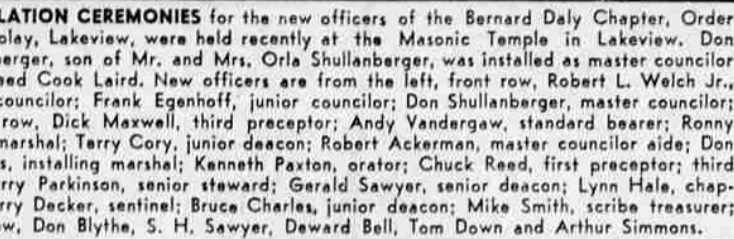

The sweepstakes award was won by Crystal Cheyne as was the award of distinction on the "twin arrangement," suitable for an altar. The sweepstakes award in horticulture was won by Mrs. I. W. White. Special awards went to Mrs. Laella Kucera for her exhibit of lovely iris and lupine; to Dot's Ceramic Studio for the exhibit of attractive ceramic flower containers and figurines suitable for flower arrangements.

Mrs. Everett Jones was chairman of the silver tea held during the flower show.

EVERGREEN GARDEN CLUB

By Vermona Dahler
Nine members and three guests of the Evergreen Garden Club toured gardens for the June meeting of the club. Guests were Ruby Nelson, Juniper Club; Marilyn and Mona Lee Hammond, daughters of Edna Hammond.

The touring garden clubbers met at Ward Park where the iris garden was enjoyed, then went to the garden of Louella Kucera, 3951 Summers Lane, where the iris were in magnificent bloom.

we would look farther and see another even more beautiful.

Sack lunches were eaten at Moore Park at noon and the party traveled to the lovely garden of Mrs. Glenn Ferguson, 1010 Lakeshore Drive. She guided us through the lovely formal garden with its numerous beautiful trees, shrubs and flowers of many kinds.

The tour ended at her patio high lighted by a charming small pool. There were terraced gardens at the home of Mrs. Hugh O'Connor, 133 Grant, backgrounded by trees and shrubs including White Hawthorne, Blerriann Plum, Maple, Caragana, Morain Locust trees and many others.

Bordering terraced lawns were thyme; sea pinks, coral bells, creeping veronica, campaula, carnatica. Water lilies grew in a charming small pool.

Following the tour we started to our homes inspired by what we had seen with ambitions to add beauty to our own homes.

COLLAPSE

LONDON (AP) — Strikes threatening Britain's economy collapsed Friday. The 47,000 drivers, conductors and mechanics of London's double-decker red buses voted to return to work Saturday after a seven weeks walkout for more pay.

The dockworkers and strikers at the big Smithfield meat market also agreed to go back to work.

4-H NEWS

LANGELL VALLEY CHAMPS SHEEP CLUB

The Langell Valley Champs Sheep Club held their meeting on June 8 at the home of our leader, Mrs. Brett. We went on a tour on which we viewed all of the members' sheep. We also made blankets for each of our lambs.

We found a turtle on our tour and he is now our mascot. For our community project we are going to buy a coffee percolator for the community hall. To raise money for it, we plan to have a hot dog stand at Joe Potucek's swimming pool in Langell Valley. It will be open only on weekends and club members will take turns working in it.

There will be three people working in it at one time, one grownup and two children. Only one family at a time will be working; if there is only one person from a family in the club and it is their turn to work in the stand, he must have his brother or sister or his mother or father help him. If the parent can't work in the stand, there will have to be some other grownup to help. The next meeting will be held June 22, 1958.

OLENE DAIRY CLUB

On June 4, the Olene Dairy Club held its monthly meeting at the home of Dick and Steve Reiling. During the meeting, Mr. Wilbur Reiling gave a summary of the report he gave at the last meeting on milk marketing. The knowledge of how milk is marketed and pooled was a benefit to all of the club members.

The members were reminded of the Rotary Club tour which took place on June 10 and 11. In this tour, members of the Rotary Club visited with boys and girls who are planning to take a livestock project in the fall-fair. The next meeting will be at Lila Ritter's home on July 6. After the meeting, Mrs. Reiling served delicious cake, punch and whipped jello for refreshments.

Meet Finally Comes Due

MALIN — A war time collection of scrap iron paid off on June 7 and 8 for a group of former Malin FFA students.

During the war years scrap iron was collected by the classes of 1943, '45 and '46 and they purchased four \$100 bonds with the proceeds of the sale. They planned on holding a reunion in 10 years, but circumstances were not favorable for the reunion until this year.

About 30 former students attended the two-day event which included a tour of the school and the new agriculture shop, dinner and dancing at the Log Cabin, and a potluck picnic in the Malin Park.

At the reunion business meeting it was decided that the money left after paying convention expenses should go to the present FFA chapter in the way of a gift to buy new equipment used in conducting FFA meetings, and also to supplement the agricultural library of the chapter.

The committee in charge of the reunion included A. E. Street, Charles Duncan, Lincoln Elzner, Norman Jacob, Harry Orem and Franklin Elzner.
