We Salute HER Too!!

Ever think what a big vote of thanks we owe the Dairy Farmer . . . and Her too? Because of them we enjoy delicious milk, cheese and ice cream. Wonderful butter, cottage cheese, nonfat dry milk and evaporated milk, too. In June, enjoy fine dairy foods often. They're good for you and for our local Dairy Industry.

Milk PLUS other dairy products (such as cheese, condensed and evaporated milk, ice cream and nonfat dry milk) provide over 25% of the protein in the American diet, but cost the consumer only 15% of the money he spends for food.
