

**COOKIE OF THE WEEK** is Grandma's Chocolate Eclair, a favorite for generations with its soft marshmallow topping on a cookie base and the whole cookie dipped in chocolate.

### ECLAIRS

You probably don't have to do a survey in your family to know what the favorite cookie is. But there are cookies and cookies.

If you don't have time to make cookies, you are given a choice of a great many types, shapes and sizes on your grocer's shelves. There are cookies for dunking in milk. There are cookies for the youngsters' tea parties. There are thin wafers for serving with ice cream and then there are the fancy cookies with frosting and toppings.

One of the most popular of the fancy cookies has always been the chocolate eclair. The texture and taste contrast of the soft marshmallow with the cookie base is a pleasant surprise with every one you bite into. And the chocolate covering has universal appeal. They are a dessert complete in themselves.

Of course all of the cookies bearing the Grandma Cookie Company label are wonderfully good. They are made in an immaculate kitchen of the finest ingredients.

The Grandma Cookie Company will be pleased to show visitors through its Portland plant if arrangements are made in advance by telephone for the tour.

### MEASURING CUPS

When buying measuring cups, get one type for dry ingredients such as flour and sugar and a different type for liquids. The right cup for measuring liquids has an extra rim above the 1-cup line. The extra space guards against spilling when the cup is at eye level. Measuring cups for dry ingredients may be filled to the top and leveled off with a knife.

### Avocado Salad

Here's an unusual dessert you'll want to try on friends with gourmet tastes. Salinas Summer Mousse combines luscious Calavo avocado with gooseberries, honey, cream and maraschino cherries to make a delicious frozen dessert. You'll find summer varieties of Calavo avocados so plentiful and inexpensive at your market now you can serve them often. Hass avocados—the most plentiful California variety of summer avocados—may be recognized by their dark, pebbly skins.

#### SALINAS SUMMER MOUSSE

¾ cup sieved Calavo avocado  
½ cup sieved, cooked gooseberries  
1½ cups whipping cream

¼ cup honey  
Few grains salt  
¼ cup chopped maraschino cherries

To prepare avocado, cut fruit into halves and remove seed and skin. Puree in electric blender or force through sieve. To prepare gooseberries, cook until soft in small quantity of boiling water, removing lid to evaporate excess water during last few minutes of cooking. Puree in electric blender or force through sieve. Cool. Whip cream; combine avocado with cherries. Fold in whipped cream. Turn into refrigerator tray. Place in freezing compartment with control set at lowest temperature. Freeze without stirring until firm. Reset temperature control to normal.

### TAMALE PIE

Chili Bean Casserole is another name for tamale pie—that colorful combination of beef, kidney beans, chili sauce and ripe olives baked in a corn meal crust. It's a great favorite with the young crowd for buffet suppers because it tastes so good and is so easy to make. Once in the oven, it cooks along contentedly; the hostess can relax with her guests. Tossed green salad is perfect with it. And the favored dessert is fruit molded in gelatin—Rings of cherries with cream cheese in cherry gelatin flavored with Port wine.

#### CHILI BEAN CASSEROLE

1 pound red kidney beans  
1 pound diced lean beef  
Oil for frying  
1 large onion  
1 clove garlic

1 tablespoon chili powder  
1 tablespoon Worcestershire sauce  
1 tablespoon salt  
1 quart hot water  
2 cups ripe olives  
3½ cups canned tomatoes  
½ cup uncooked yellow corn meal

1 cup grated American cheese  
Wash beans, cover with cold water, and soak overnight. Brown beef in oil. Chop onion, and slice garlic very thin. Drain beans, add beef, onion, garlic, seasonings and hot water. Cover and simmer until tender, about three hours. Cut olives into large pieces. Stir in tomatoes, corn meal and olives and cook and stir until thickened; add salt to taste. Turn into large casserole or baking pan and cover with cheese. Bake in moderate oven (350 degrees) about 20 minutes or until cheese is melted.

### INSTANT COFFEE

To get real flavor from instant coffee, always make it with water which has been brought to a full boil. Try making instant coffee in a pot instead of a cup and allow a few minutes "steeping" time before serving.

### APPETIZER

Slice a pared eggplant and cut the slices into strips. Dip them in flour seasoned with salt and pepper and fry in deep fat. Drain on several thicknesses of paper.

lowling, sprinkle lightly with salt and serve as an appetizer with tomato juice.
