

Meet Another of Your Klamath Basin Grade "A" Producers

THE TED ALBERT FAMILY OF LANGELL VALLEY

Amid the gnarled junipers that dot the rolling hills of Langell Valley lies the Ted Albert Grade "A" Dairy. The Alberts have been in the dairy business "all our lives" and have been on a Grade "A" Basis since 1949.

The herd consists of 35 head of prize Holsteins that graze on the 58 acres of lush hay and pasture land.

An organization of Klamath Basin Dairymen whose job it is to bring you the finest milk possible . . . locally produced for local people!

At the right Ted and son Larry pose for the photographer. The smile on Ted's face was caused by the outstanding production record his cows have set during June Dairy Month. The Alberts have 4 children, Kenneth, 19, Carrol, 17, Larry, 15 and Wilma, 8 and two foster children, Naomi, 14 and Pat, 16.

Mrs. Albert, the former Peggy Harris, is a member of one of the Basin's pioneer dairy families. She is president of the Langell Valley Garden Club and the Eastern Star. At the right the female members of the Albert family emphasize the fact that a woman's work is never done. Carrol is busy mowing the lawn as Mrs. Albert and Pat finish hanging the family wash.
