Solon Has Change Of Tax Heart

PORTLAND (AP) — A year ago state Sen. Walter J. Pearson (D-Portland) proposed a sales tax for education. He no longer believes in that.

Pearson, chairman of the legislative committee studying the state's tax structure, said Saturday he thinks now that if a sales tax were adopted as a form of property relief, all of the money should be returned to the counties to give direct reduction in property taxes.

His original proposal, made last year at a committee meeting in Eugene, would give schools too much money, he said in explaining his changed position. He said "school people had to think up new ways to spend money", in considering what they would do with sales tax receipts.

He said he agrees that something must be done to get more money for schools as costs of education mount. But the best way may be direct county property tax relief, he said.

He added that if this were done through turning sales tax money back to counties, it would be necessary to impose a limitation on either mortgage or assessments "so that property taxes... would not bounce back up again."

Nelson Named Legion Chief

ASTORIA (AP) — Election of George Nelson of Portland as commander of the Oregon American Legion topped convention business Saturday before 1,500 delegates to the annual meeting headed for home.

Fred E. Bennett of Nyssa was named state vice commander. His contest with Norman Happel of McMinnville was one of the few two-man races in the election.

Other state officers elected were Thomas Stoughton, finance officer, and Alfred Williams, chaplain. Both are from Portland.

District commanders named include: Joe Marcroft, Salem; Roy Roe, Eugene; Thomas Wheeler, Lakeview; Jack Lipson, The Dalles; Herbert W. White, Pendleton; Grant Holland, Baker; Bob Oswald, Central Point; James Adams, Elkton; and Hal Brindie, Nyssa.

Freight Tax Called Off

WASHINGTON (AP) — President Eisenhower's signature Monday repealed the half billion dollar a year federal tax on freight shipments.

It was the lone tax cut in a bill continuing for another year the Korean War increases in corporation income taxes and in excises on new autos, car accessories, liquor and cigarettes.

The bill was passed by Congress just last Friday to beat a July 1 deadline for what was otherwise an automatic drop in the rate increases. It thereby averted a \$2-115,000,000 revenue loss to the government.

This probably will be the only tax cut to come from Congress this session.

City Slates Fireworks

The Fourth of July fireworks display will be handled by the city of Klamath Falls this year for the first time in the history of the city.

At 9 p.m. on July 4 the fire department will set off over \$500 worth of fireworks on "K" hill, east of the city.

The money for this project was raised from the license fee of the 1957 carnival for the Basin Celebrations.

Bob Thompson is chairman of the committee. Other members are Cliff Baxter, Roy Rowe, Frank Blackmer and Fred Heilbrunner.

"K" hill was chosen because the committee felt that the fireworks could be seen by more people.

The recent wet weather has helped to make conditions right for setting of the exhibition of fireworks.

AID

SAN FRANCISCO (AP) — Possibility of federal aid to the lead-zinc industry has prompted Bunker Hill Co. to delay plans to close mining and smelter operations at Kellogg and Wallace, Idaho. John D. Bradley, president, said however that it will be necessary to curtail lead smelter production by 30 per cent Aug. 1.

Auxiliary will hold a regular meeting at 8 p.m., Tuesday, July 1, at the Legion Hall on North Eighth Street. Students Carol Taylor of Klamath Union High School and Michelle Brett, Sacred Heart Academy have returned from Girls State at Willamette University and will give a report at this meeting. Auxiliary members are reminded to attend this important meeting. Members of the legion post will serve refreshments.

Improved — Word has been received by friends that Shirley Crawford is recovering satisfactorily from eye surgery in San Francisco. Mail may be sent to her at 198 Canyon Drive, San Francisco.

Potluck Dinner — The Mariner's executive committee of Peace Memorial Presbyterian Church will hold a potluck dinner Monday, July 7, at the home of Mr. and Mrs. Paul Horne.
