

### CITY BRIEFS

**On Leave** — Pfc. Jimmy R. Hines, U.S. Marines, stationed at Camp Pendleton, California, visited with his parents, Mr. and Mrs. Roscoe Hines, 828 Owens Street, over the weekend.

**Visitors** — Mr. and Mrs. V. A. Jackson and their daughter of Redmond were guests at the home of Mr. and Mrs. Roscoe Hines, 828 Owens Street, last week.

**Technician** — Danny K. Shaw, electronics technician seaman apprentice, son of Mr. and Mrs. Clyde E. Shaw, 238 Mortimer Avenue, recently graduated from the Navy's Class A electronics technician school at the Treasure Island Naval Station, San Francisco.

**Monthly Meet** — The Stewart-Lenox Fire Belles will hold their

regular monthly meeting Thursday evening, July 10, at 7:30 at the home of Louise Homer, 3407 Emerald. Please phone TU 4-7278 or TU 2-4739 if unable to attend.

**Registrations** — for the July 21 to August 1 session of instructions at the municipal pool are open. The 10:30 class is well over half full now. Registration should be done as soon as possible if you wish to learn to swim in this period.

**Dance Class** — There will be a round dance class sponsored by the Merry Mixers, Wednesday at 8 p.m. at the South Sixth Street Community Hall. Shirley Mayhew will instruct. Ladies please bring cookies or doughnuts.

**Meeting** — St. Monica Circle of St. Pius X Catholic Church will meet tonight, July 8, at 8 o'clock.

**Invitation** — The Klamath County Historical Society has been invited to join the Modoc County California Historical Society for a noon luncheon (DST) at the Sportsmans Hotel in Tulelake, Wednesday, July 9. Two noted authorities on history, Dr. Rockwell B. Hunt, president emeritus of the Conference of California Historical Societies and Dr. R. Coke Wood, College of the Pacific, Stockton, guest and member of the conference, will speak. Members and guests are welcome. A number of members of the Klamath County society will attend.

**Resuming** — Public card parties sponsored by the Lost River Grange will be resumed at the Olene Grange Hall, Friday, July 11, at 8 p.m. The public is cordially invited to play.

**Royal Neighbors** — of America will hold a regular meeting Wednesday, July 9, at 8 p.m. at the IOOF Hall.

**At Camp** — George D. Brandt, son of Mr. and Mrs. Al Brandt, 1345 Pacific Terrace, is presently attending the Sixth U.S. Army reserve officers training camp at Fort Lewis, Washington. Attendance at summer camp provides cadets with practical field work as a supplement to the classroom instruction conducted during the academic school year. Brandt is a junior at the University of Oregon and is majoring in political science.

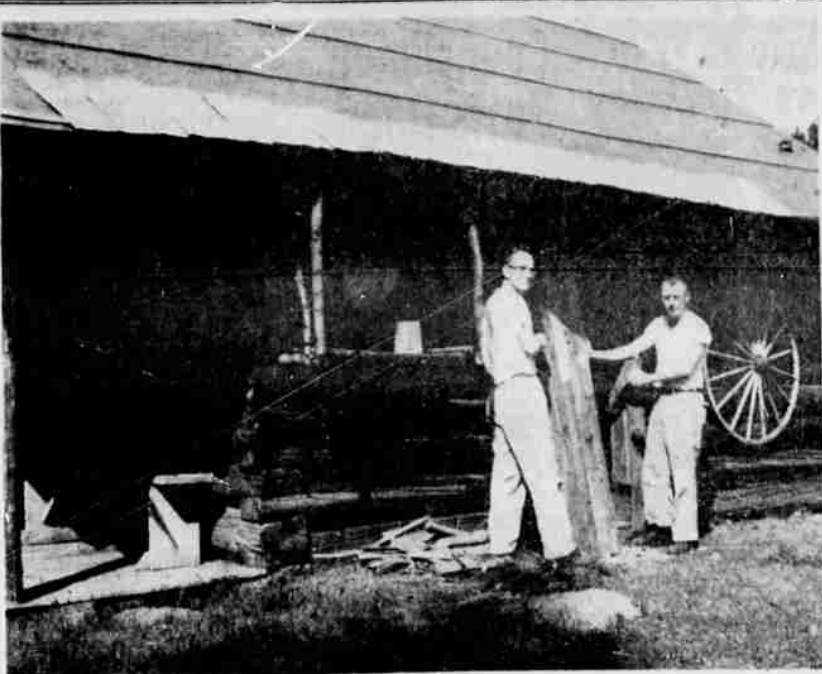

**Summer Training** — Cadet Dino D. Reginalo, who has completed his junior year in advanced Air Force ROTC, is attending four weeks of summer training at McChord Air Force Base, Washington, as part of his reserve officer training at the University of Portland. He is the son of Mr. and Mrs. J. G. Reginalo, 3047 Boardman Avenue.

**In Georgia** — Cadet Dennis F. Todd, 21, is attending a six-week summer camp at Fort Gordon, Georgia, under the Reserve Officer Training Corps program of Oregon State College. Todd, son of Mr. and Mrs. Harry R. Todd, 700 Mt. Whitney Street, is a 1953 graduate of Klamath Union High School.

**Recently** — A first solo flight was recently made at Pensacola, Florida, by Ensign Brent L. Hedberg, son of Mr. and Mrs. Pete Hedberg, 1005 Prospect Street. Hedberg attended the University of Oregon before entering the flight program at the Naval Air Station, Seattle.

**Shoes Give Clue To Patrolman**

**DETROIT (AP)** — Patrolman Glenn Apter spent three hours yesterday studying the shoes of passing boys in the neighborhood of Park School. Apter finally found his boy. The youth was leaving mutilated sneakers. He had walked in water, color paints scattered in the school yard by vandals who did great damage. The boy with the unusual shoe prints was one of the vandals. Apter turned him and his companions over to juvenile officers.

**THE 'Y'S MEN'S SERVICE CLUB** of the local YMCA is a branch of a world-wide affiliate of the "Y," which groups young men desirous of serving the more youthful members of the parent organization. One of the local "Y's Men" service projects has been that of developing YMCA Camp Totton which serves boys 7 to 9. The photo shows Martin Lougee, left, and Dr. Jim Creswell working on the rehabilitation of the shell of the old log cabin which serves as camp headquarters. This summer the "Y's Men" have completed a new roof for the structure, and they were hanging doors and shutters when this picture was made. The 25-member local organization has Fred Hayes as its president.

### Grenade Kills Korea Raider

**ALICE MCINTYRE**, daughter of Mr. and Mrs. Ray McIntyre of Dorris, was chosen as Poppy Queen by Butte Valley Veterans of Foreign Wars Auxiliary 5944.

**SEOUL (AP)** — A North Korean soldier armed with hand grenades and a submachinegun stole through the U. N. portion of the demilitarized zone between North and South Korea July 4 and made a one-man attack on a U. N. military police shelter. The Communist soldier tossed a grenade into the shelter, killing one South Korean soldier and wounding another. He started to throw another grenade, but a third South Korean soldier who had gone outside to investigate a noise shot him. The intruder fell on his own grenade and was killed by its blast. The story was told today in a communique from the U. N. Command, which termed the attack "one of the most bizarre incidents of the cold war in this bitterly divided peninsula."

The U. N. Command said Communist representatives on the joint observer team for the demilitarized zone claimed the incident was instigated by the U. N. Command. The Reds refused to acknowledge the attacker as one of their side or to accept his remains. "In spite of a North Korean uniform and other material which pointed to his Communist origin," the communique said.

### Statehood Up To Alaskans

**WASHINGTON (AP)** — Statehood for Alaska now is up to the Alaskans themselves. And President Eisenhower almost forgot it. He signed the Alaskan statehood bill yesterday and commented: "Okay, now that's 49 states." But he quickly corrected himself and said, "No, maybe we don't do that until the plebiscite." That was a reference to a provision in the bill requiring all Alaskans to vote whether they accept immediate statehood and terms of the bill itself. Voting on acceptance, plus election of a state constitution, are the last remaining steps before issuance of a presidential proclamation—probably by December—formally admitting Alaska to the union. Eisenhower urged Congress now to admit Hawaii as a state during this session. "I personally believe that Hawaii is qualified for statehood equally with Alaska," he said.

### Help With DIRE SITUATIONS

**WHEN DIARRHEA STRIKES**, from food reactions, change of drinking water or sudden climate changes, be ready with a quick RELIEVER... Wakefield's BLACKBERRY BALSAM Compound. Get genuine Wakefield's today. Have it ready when you need it. Wakefield's BLACKBERRY BALSAM Compound.

### 5 Local Men In Exercise

Five local Navy men are taking part in the First Fleet striking force exercise "Blue Bolt," July 7 to 11 in the Eastern Pacific. Seaman Wesley A. Rutledge, 3641 Miller Avenue, is aboard the submarine USS Razorback. Seaman Glenn E. Stiles, son of Mr. and Mrs. Glenn E. Stiles, 3197 Bristol Avenue, and husband of the former Betty M. Mansfield, Radcliffe Avenue, is aboard the destroyer USS Loiberg. Gary M. Vanderhoff, aviation structural mechanic third class, son of Mr. and Mrs. Melvin Vanderhoff, Route 3, Box 1341, is with Attack Squadron 151. James E. Dittrich, fire controlman seaman, son of Mr. and Mrs. Edward Dittrich, 235 Haskins Avenue, is aboard the destroyer USS Trathen. Fireman Alan R. Lockrem, son of Mr. and Mrs. Richard Lockrem, 1848 Bisbee Street, is aboard the destroyer USS Leonard F. Mason.

The operation involves 36 ships, 26 squadrons of naval aircraft and over 22,000 personnel. Ships and planes at sea will form fast-moving "Blue" attack carrier teams which will strike out against simulated mainland targets. "Orange" defensive forces consisting of shore based naval aircraft and submarines will try to outwit the invaders. Striking force exercises are designed to give advanced training to personnel preparing to deploy to the U.S. Seventh Fleet in the Western Pacific.

### Accident Injures Constructionist

**DORRIS** — A highway construction worker, B. H. Douglas, about 48, who is living at the Tourist Rooms in Dorris, was injured at 9:20 a.m., Pacific Daylight Saving Time, today when he drove his 1949 Chevrolet coupe onto the railroad tracks as Southern Pacific train No. 19 was coming into Dorris.

The accident happened where Highway 97 crosses the Southern Pacific tracks near the Dorris depot. Station Agent Cal Gray reported witnessing most of the accident.

Douglas' car was carried by the train, which had slowed for the approach to town, for about a city block. Dr. C. R. Drader of Dorris was called and took the man to the local hospital where his injuries were still undetermined at press time. Dr. Drader said he was in a state of shock.

Ingraham Towing Service took the car away which had broken glass on both sides but appeared relatively undamaged by the impact.

### Police Breakup Strange Fight

**CHICAGO (AP)** — Police broke up a fight last night between two men, one armed with a knife, his opponent with a bow and arrows. Sgt. Victor Carlson and policeman John Curtin said the trouble started when Charles Bateo, 37, arrived to visit his former wife Dorothy, 34, at the home of Elden Carlson, 27. Carlson and Bateo, police said, started arguing and Bateo drew a knife.

Carlson got his bow and three steel-tipped arrows. As Bateo started to drive away from Carlson's North Side home, Carlson hit Bateo's car with one arrow. At that time, Sgt. Carlson and Curtin drove up and took both men in. They were held for further questioning.

The United States had 36,494 foreign students in this country last year.

### Wood Shingles Go Glamorous

### MARTIN-SENOUR SHAKE PAINT

Never Before Such a Wide Array of Colors for:

- Shakes • Hand-split shingles
- Rough surfaced lumber
- Regular wood shingles
- Smooth surface siding

Flows on evenly and uniformly... covers sharp, rough wood edges... safeguards against sun, storms, dirt, dust. Glamorous colors give your home dazzling new beauty. See them today!

### Yank Release Delay Noted

**GUANTANAMO, Cuba (AP)** — Poor communications are reported delaying release of North Americans still held captive by Fidel Castro's rebels. Thirty-three Americans and one Canadian are still held.

Rear Adm. R. B. Ellis, commander of the U.S. naval base on Guantanamo Bay, said he was told there had been no hitch in the release arrangements. But the men are scattered among rebel camps in the east Cuban mountains and jungles, and it is taking much time to collect them to be picked up at one point.

Ellis had been dispatching a helicopter to make the pickup when a Navy plane spots white cloth marker panels laid out in jungle clearings.

Lt. Cmdr. John V. Gorman of Grand Pass, Mo., ferried out three Americans yesterday, bringing to 16 the number of men released. One of those flown out, James P. Stephens Jr. of Edmond, Okla., said "there was no one else at the landing point when I left." Stephens, an official of United Fruit Co., said rumors in the rebel camps were that after the other four civilians were released, Castro would free the 30 U.S. sailors and Marines he is holding. Some servicemen at the Navy base are angry that none of their buddies have been released.

Informed sources in Havana said the rebels were holding the 30 servicemen to bargain for U.S. recognition as belligerents. The legal status of belligerents would entitle the rebels to equal treatment with the regime of President Fulgencio Batista which they are trying to overthrow. The two men released with Stephens were Sherman Avery White of New York, general manager of the American-Built Nicor nickel plant, and J. Andrew Poll of Grand Rapids, Mich., the assistant general manager.

### New Cancer Facts Report

**WASHINGTON (AP)** — The U. S. Public Health Service says, "it is obvious that heavy smoking is not the sole cause of lung cancer." But the service said last night a new study "adds further to the growing weight of evidence that there is a high degree of statistical association between lung cancer and heavy and prolonged cigarette smoking."

The health service issued the statement in connection with a report on a study of the deaths of 7,000 veterans found a much higher death rate among cigarette smokers than among nonsmokers. The report, compiled by Dr. Bernard F. Dorn, chief statistician of the National Institutes of Health, also said that the lung cancer death rate among regular cigarette smokers was about 10 times that of nonsmokers. This was challenged by Kimbrey O. Warrent, chairman of the Tobacco Industry Research Committee. He said Dorn's study ignored all factors except tobacco smoking and "admittedly included as causal a laboratory research."

Warrent, while referring to Dorn's statement, said the health service's statement is "a last night's statement that 'lung cancer, of course, also occurs among those who do not smoke.' And it added that 'the factors in heavy and prolonged cigarette smoking which may cause lung cancer have not been demonstrated by chemical or laboratory research.'"
