Jeanne Arc

Fashion For Back-To-School; Lay-Away Now!

Left:

The relaxed silhouette is very nice — and very pretty — this season! Witness its winning ways in Jeanne d'Arc's cotton plaid with the low-placed slit pockets! Notice the way a self belt develops on the same level and ends up as a flat bow that ties in back. Gray and red; black and blue. Sizes 7 to 15. **\$17.95**

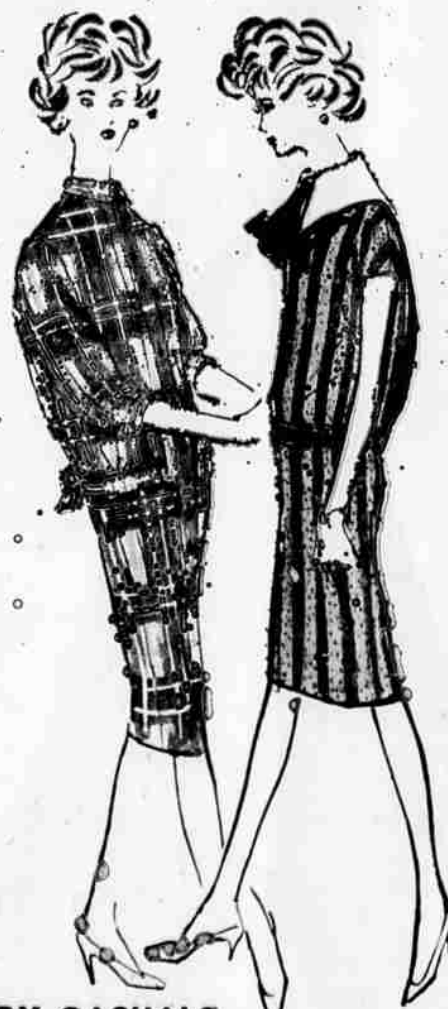

Right:

Striped fashion with tapered waistline belted through wide self loops — the belt fastens in back. The big white collar is detachable and the top is black organza. Brown and navy; olive and black; gray and burgundy. Sizes 7 to 15. **\$17.95**
