

A DRAMATIZED STORY THAT COULD HAPPEN TO YOU!

"He Made Me Feel Like A Bride Again"

IT'S hard for me to believe that a few weeks ago I actually thought about leaving my husband! He had become so nervous and irritable — so cross with the children and me that there was just no living with him. He was always "too tired" to do anything — too run-down to have fun with his family. Even our children were puzzled and hurt by his week-in, week-out grumpiness. Frankly we bickered and fought so much I thought our marriage was over.

When Jim finally went to our family doctor, the examination proved there was nothing really wrong. The doctor said Jim's condition was merely caused by an easily corrected nutritional deficiency in his diet. You can imagine how shocked I was to discover that even though Jim was well-fed, he was actually poorly nourished due to a lack of vitamins, minerals and lipotropic factors.

Just when things looked blackest, we learned about the famous Vitasafe Plan through an ad in our newspaper. It told how other people with Jim's condition had been helped by taking just one Vitasafe Capsule a day. Naturally, we sent for a trial month's supply. What a difference it has made! Vitasafe High-Potency Capsules have helped him snap back with increased vigor and vim. I'm so happy, I feel like a bride again! Perhaps someone in your family feels tired and run-down because of a nutritional deficiency. Why don't you take advantage right now of this sensational trial offer as we did?
